Capital BlueCross

An Independent Licensee of the Blue Cross and Blue Shield Association

Keystone HEALTH PLAN® CENTRAL

A Capital BlueCross Company

Provider Directory

2012

(Printed September 2011)

NF-128 (5/2011)

Health care benefit programs issued or administered by Capital BlueCross and/or its subsidiaries, Capital Advantage Insurance Company® and Keystone Health Plan® Central. Independent licensees of the Blue Cross and Blue Shield Association. Communications issued by Capital BlueCross in its capacity as administrator of programs and provider relations for all companies.

SPECIALISTS

The providers in the following section are network specialists.

Referral Requirements

For *POS* or KHP Central Members, when the services of a specialist are medically necessary, your PCP will refer you to a provider who will provide the services you need. For *POS* Members, if you receive specialty care without obtaining a referral, you may incur higher out-of-pocket expenses. For KHP Central Members, all specialty visits must be referred by your PCP unless your group has chosen the direct access benefit option.

If your group has chosen the direct access benefit option, you may self-refer to network specialists for covered services.

Please note: Direct Access members must obtain most preventive care services (e.g., preventive physical exams) from their PCP. If a provider other than the member's PCP renders such services, the services may not be covered.

Preauthorization Requirements

Some services require preauthorization. Preauthorization for Capital BlueCross and/or KHP Central Members is an approval process used to determine member eligibility, benefit coverage and medical necessity of proposed services at the time of the request. You may ask your provider if the service requires preauthorization. Network providers are responsible for knowing which services require preauthorization and for obtaining preauthorization from Capital BlueCross or its designated representative before providing the service.

Hospital Affiliations

Some hospitals listed under a practice's Hospital Affiliation(s) do not participate in all networks in which the practice participates. Please check the Hospital section of this directory to verify a hospital's participation status.

HMO members are reminded that out-of-network services must be referred by your PCP and preauthorized.

Special Information about Chiropractors

The chiropractic network for Capital BlueCross Members (Traditional, PPO and *POS*), which is identified in this section, is contracted through American Specialty Health Networks, Inc. The chiropractic network for KHP Central Members is contracted directly with KHP Central.

On behalf of Capital BlueCross, American Specialty Health Networks, Inc. assists in the administration of chiropractic benefits. American Specialty Health Networks is an independent company.

Special Information about Optometrists

The doctors of optometry (ODs), listed in this section, are available to provide **medical** examinations and other specific **medical-related** services to all Capital BlueCross and KHP Central Members, in accordance with your Certificate of Coverage. If you have BlueCross vision care coverage for vision examinations, corrective lenses, and eyeglass frames, the provider network is available to you on our Web site at https://www.capbluecross.com.

Special Information about Psychiatrists

Note that Psychiatrists are listed with behavioral health providers rather than in the Specialists section of this directory.

Important Notes

This directory is accurate only as of the date the information was generated for this printing. To check the most current participation status of any particular provider, visit our Web site at https://www.capbluecross.com or call the toll-free number on your ID card. You may also contact our Customer Service Department for Capital BlueCross Members at 1-800-962-2242 (TTY 1-800-242-4816) or for KHP Central Members at 1-800-669-7061 (TTY 1-800-669-7075), Monday through Friday, 8:00 AM to 6:00 PM, or contact the provider directly to verify their participation in your specific health plan.

Please note: Some providers may be capable of submitting electronic prescriptions. The providers are identified on the following directory pages. Please contact your provider to determine electronic capabilities.

If you have questions about a provider's qualifications (such as medical school attended, residency completed, board certification status, languages spoken, or hospital affiliations), your benefits or any other aspect of your health care coverage, please call the toll-free number on your ID card or contact our Customer Service Department for Capital BlueCross Members at 1-800-962-2242 (TTY 1-800-242-4816) or for KHP Central Members at 1-800-669-7061 (TTY 1-800-669-7075), Monday through Friday, 8:00 AM to 6:00 PM. After normal business hours, you may leave a voice mail message and a Customer Service Representative will return your call during the next business day.

Always present your Member identification card each time you seek medical services.

For detailed information concerning your benefits, please refer to your Certificate of Coverage.
