Dear Mr. Newman:

I have received your letter dated November 24, 2009, wherein you request an investigation of Dr. Abraham Alberto Hodari.

Since the court documents you have provided are the initial contact we have had regarding this current incident, I have referred this matter to the Bureau of Health Professions and a file is being opened.

All complaints against physicians are reviewed by the Board of Medicine. If it is determined that there may be a violation, the Bureau of Health Profession will investigate.

In addition, complaints against healthcare facilities are investigated by the Bureau of Health Systems. We have also forwarded a copy of your complaint to them for their consideration.

If you have any further questions or concerns, please feel free to contact Melanie Brim at 517-373-8068.

Sincerely,

Nick Lyon, Deputy Director
