

BEFORE THE WEST VIRGINIA BOARD OF MEDICINE

IN RE:

GORLI HARISH, M.D.

CONSENT ORDER

The West Virginia Board of Medicine ("Board") and Gorli Harish, M.D., ("Dr. Harish") freely and voluntarily enter into the following Order pursuant to West Virginia Code §30-3-14(n):

FINDINGS OF FACT

1. Dr. Harish currently holds a license to practice medicine and surgery in the State of West Virginia, License No. 10453. Dr. Harish's address of record with the Board is in Charleston, West Virginia.

2. Dr. Harish appeared before members of the Board for a discussion of three civil actions alleging malpractice against Dr. Harish.

3. In March, 1993, the Board initiated its own complaint based upon the care and treatment rendered by Dr. Harish to three patients subject of the malpractice claims filed against Dr. Harish.

4. The Board began an investigation of its complaint, and received a response by Dr. Harish to the complaint. In his response, Dr. Harish specifically denied that he violated any statute, regulation or provision pertaining to the practice of medicine and surgery in the State of West Virginia.

5. Permitting Dr. Harish to continue the practice of medicine and surgery without certain appropriate restrictions and limitations upon his medical license could adversely affect the health and welfare of a patient.

CONCLUSIONS OF LAW

1. As a matter of public policy, the provisions of the West Virginia Medical Practice Act have been enacted to protect the public interest (West Virginia Code §30-3-1).

2. The Board believes that probable cause exists to file charges against Dr. Harish under West Virginia Code §30-3-14(c)(17), and 11 CSR 1A 12.1(x), to determine whether the care rendered to the aforesaid three patients met with the level of care, skill and treatment which is recognized by a reasonable, prudent, similar physician as being acceptable under similar conditions and circumstances. However, Dr. Harish believes that there has been no such statutory or regulatory violation.

3. The Board and Dr. Harish have determined that it is appropriate to waive formal proceedings and to resolve this matter on the following terms and conditions.

CONSENT

Gorli Harish, M.D., by affixing his signature hereon, agrees solely and exclusively for purposes of this agreement and the entry of the Order provided for and stated herein, and proceedings conducted in accordance with this Order to the following:

1. Dr. Harish acknowledges that he is fully aware that, without his consent, no permanent legal action may be taken against him except after a hearing held in accordance with West Virginia Code §30-3-14(h) and §29A-5-1, et seq.;

2. Dr. Harish acknowledges that he has the following rights, among others: the right to a formal hearing before the West Virginia Board of Medicine, the right to reasonable notice of said hearing, the right to be represented by counsel at his own expense, and the right to cross-examine witnesses against him;

3. The Board and Dr. Harish waive a formal hearing in this matter;

4. The Board and Dr. Harish agree to the entry of this Consent Order in this matter; and,

5. This Consent Order is considered a public document which may be reported, as required by law, to the National Practitioner Data Bank.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law, and on the basis of the consent of Dr. Harish and the Board, it is hereby ORDERED as follows:

1. In addition to the general requirements for a physician licensed in West Virginia to attend continuing medical education, Dr. Harish shall successfully complete a mini-residency of a minimum duration of fifty (50) hours which shall be documented in writing to the Board no later than December 1, 1993.

2. Dr. Harish shall request any hospital where he enjoys hospital staff privileges to provide any and all quality of care and peer reviews and assessments pertaining to him to the Board, on a regular basis, as such assessments are prepared and completed. Contemporaneously herewith, Dr. Harish shall sign and provide a release to the Board authorizing such reviews and assessments to be provided to the Board as stated herein, for a period of two (2) years, ending June 15,

1995, in order that the Board may monitor the quality of care provided by him.

3. Dr. Harish shall review materials provided to him by the Board relating to maintaining adequate medical records and shall improve his medical record keeping.

4. No later than June 15, 1993, Dr. Harish shall provide a copy of this Order to any employer or health care or medical facility where Dr. Harish is practicing medicine, and during the period that this Order is in effect, Dr. Harish shall provide a copy of this Order to any prospective employer or health care or medical facility where he seeks to practice medicine.

In the event of any non-compliance by Dr. Harish with the terms of this Consent Order, the Board may initiate formal proceedings which it deems appropriate.

Entered this 4th day of June, 1993.
