This matter is before the North Carolina Medical Board (hereafter "Board") upon Respondent's Motion to Dismiss presented to the Board on September 21, 2007 regarding the Notice of Charges and Allegations (hereafter "Charges") issued against Dr. Washington on May 1, 2007.

Respondent presented evidence to the Board that Patient's A, B, C and D were all being treated by a physician other than Dr. Washington and the prescriptions issued by Dr. Washington had previously been prescribed by another physician.

Based on the foregoing, the Board finds that public discipline is not appropriate in this case and hereby GRANTS Dr. Washington's Motion to Dismiss. The Charges dated May 1, 2007 are hereby DISMISSED WITH PREJUDICE.

By Order of the North Carolina Medical Board,
this the 21st day of December, 2007.
