NARRATIVE

The undersigned has probable cause to believe the above-named defendant, on the _____ day of _____, at approximately _____ a.m. p.m. at _____ (Zone: _____) in Orange County did:

I Off. Hughley was sitting inside the office when I heard a ~~patient~~ ^{out. patient} run out of one of the rooms screaming advising the doctor had slapped her. I followed the ~~patient~~ ^{5th} patient outside she advised in a sworn written statement. She went into the exam room to get an abortion procedure and the doctor was trying to find a vein to give some volume she, Amanda advised the doctor had poked her three times trying to get the needle in the vein. She told him that the needle was not in the vein and it started to burn. Amanda advised she started screaming, the doctor took the needle out and told her to shut up ~~and~~ because she was scaring other patients. Amanda advised she got up and told the doctor she wanted to leave, so she stood up and the doctor slapped her on the left side of the face. Amanda advised that when she left, she also advised she did not give the doctor permission to slap her and wishes to press charges. Due to the needle or medicine Amanda fingers began to turn blue. So OFD was notified. When Off. Hughley went back inside the building, the doctor (Dr. Whitney) was sitting in ~~the~~ ^{the} office and he advised he did slap Amanda because she was being very uncooperative and he was trying to calm her down. Ass. Sonia Merced was inside the room with Dr. Whitney but, refuse to say what happen nor did she want to write a statement. Dr. Whitney refuse to write a statement also. Amanda's face was red on the left side of the face. Whitney was arrested and transported to central booking for Agg Battery.
