1/7/14	3	1	1	1	<p>Waiting room was packed. Waited over 6 hours to be seen, spent at least 90% of that time waiting. Dr. seemed harried and rushed. I received surgical abortion and it ended up being incomplete. I had to go to the emergency room a week later where they discovered the procedure was not done correctly. It has been a nightmare.</p> <p>Insurance: Blue Cross / Blue Shield</p>
