

PROVIDER DIRECTORY

MyNMHC.org

Welcome, New Mexico Health Connections Member!

Thank you for choosing New Mexico Health Connections (NMHC). At NMHC, we are committed to being a different kind of health plan—one that puts you and your family’s healthcare needs above profits. We are a non-profit health plan, and a Consumer Operated and Oriented Plan (CO-OP). This means our total focus is on you, our members. Our plans are built by New Mexicans, for New Mexicans.

NMHC has contracted with thousands of doctors and other providers in New Mexico and some nearby areas such as El Paso and Lubbock. This directory lists the contracted doctors, hospitals, and other providers within our network.

This directory is current as of September 24, 2014. Some providers may have been added or removed from our network after this directory was printed. Providers may be added or removed within the coverage year. We do not guarantee that all of the providers listed are still accepting new patients.

You will need to choose one of the providers listed in this directory as your Primary Care Provider (PCP). PCPs are physicians, nurse practitioners, and physician assistants who manage your healthcare needs. It is our philosophy that a strong relationship with a PCP will help you and your family (if you have family coverage) direct your healthcare, as well as keep you healthy. PCPs provide services such as annual exams, routine immunizations, and treatment for illnesses and injuries. Developing a relationship with a PCP can help you stay well and avoid costly medical expenses in the future. PCPs include family practice physicians, general practitioners, internists, and pediatricians.

If you do not select a PCP, we will choose one for you. If you wish to select another PCP, you can. Please notify us of your PCP selection by calling our **Customer Service Department**:

- Toll-free: **1-855-7MY-NMHC (1-855-769-6642)**
- Hours: Monday-Friday, 8 a.m. to 5 p.m., Mountain Standard Time

You may also choose a PCP through our Member & Provider Portal. You will find a link to the portal at the top right corner of our website, **www.mynmhc.org**.

NMHC does not require our contracted providers to comply with any specified numbers, targeted averages, or maximum durations of provider visits.

To get the most up-to-date version of our provider directory, please visit **www.mynmhc.org/find_a_doctor.aspx** or call Customer Service at the number listed above.

TTY services are available to the hearing-impaired through Relay New Mexico at 1-800-659-8331. For other language/communications help, please call 1-855-769-6642.
