# **AlohaCare Advantage (HMO) and AlohaCare Advantage Plus (HMO SNP) Plans Provider Directory**

This directory provides a list of AlohaCare Advantage and AlohaCare Advantage Plus' network providers.  
This directory is for the islands of Hawaii, Kauai, Lanai, Maui, Molokai and Oahu.

AlohaCare Advantage is an HMO plan with a Medicare contract. AlohaCare Advantage Plus is an HMO plan with a Medicare contract and a contract with the Hawaii Medicaid program.

This document may be available in an alternate format such as Braille and large print. Call Customer Service at 1-866-973-6395 to receive material in an alternate format.

## Section 1 – Introduction

This directory provides a list of AlohaCare Advantage and AlohaCare Advantage Plus’ network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). The term “PCP” will be used throughout this directory. Generally, you must get your health care coverage from your PCP.

Your PCP is a physician, physician assistant or nurse practitioner who meets state requirements and is trained to give you basic medical care. You must receive your basic or routine care from your PCP. Your PCP will coordinate the rest of the covered services you need. In most cases, you must see your PCP to get a referral to see another health care provider.

### How to choose a PCP

You must choose your PCP from one of the following sections in this directory:

- Primary Care – CHCs and Clinics; or
- Primary Care Providers

To make it easier for you, the PCPs are listed by island and specialty.

You must either write your PCP choice on your enrollment form or call AlohaCare Customer Service with your selection. If you have questions about choosing your PCP, changing your PCP or other questions about your PCP, call Customer Service at 973-6395 or toll-free at 1-866-973-6395, 8 a.m. to 8 p.m., 7 days a week. TTY users should call 1-877-477-5990.

The “network providers” listed in this directory have agreed to provide you with your health care coverage. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers.

## Providers who require a referral from your PCP

When your PCP determines that you need specialized treatment or services, your PCP will give you a “referral” to see a plan specialist or to access other types of services. A specialist is a doctor who provides health care services for a specific disease or part of the body. Some examples of specialists are: oncologists, who treat cancer; cardiologists, who treat heart conditions; and orthopedists, who treat certain bone, joint or muscle conditions.

It is very important to get a referral from your PCP before you see a plan specialist. If you don’t have a referral before receiving services from a specialist, you may have to pay for the services yourself. If the specialist wants you to come back for follow-up visits, check with your PCP or AlohaCare Customer Service to see if follow-up visits are included in the original referral.

Providers who do not require a referral from your PCP  
Most specialty care services require a PCP referral. However, a PCP referral is NOT required for the following services provided by a provider in our network:

- Behavioral health visits, such as seeing a psychiatrist or a psychologist;
- Woman’s health visit, such as seeing an OB-GYN or receiving routine preventive care services, including a pap smear or a mammogram; or
- Flu shots or pneumonia vaccination.

### Non-Contracted Provider Billing

If you need to see a provider who is not in our network, and are billed for services or care, you should not pay the bill. If the non-contracted provider sends the bill directly to you, you should submit the bill directly to AlohaCare for processing. We will decide if you have to pay anything.

## **Emergency and Out-of-Area Coverage**

If you have a medical emergency you should get medical help as quickly as possible. A medical emergency is when you have medical symptoms that require immediate medical attention. Call 911 or go to the nearest emergency room, hospital or urgent care center. These services do not require a referral or prior authorization. If your emergency care is provided by non-network providers, we will try to arrange for plan providers to take over your care as your medical condition and the circumstances allow.

You may receive coverage for urgently needed care (injury or illness that needs immediate care, but not life-threatening) from non-network providers when you are temporarily outside of Hawaii. You may also receive coverage for urgently needed care from non-network providers when you are in Hawaii and there are unusual or extraordinary circumstances, such as when no plan provider is available or accessible.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other service. If you obtain routine care from non-network providers, neither Medicare nor AlohaCare Advantage or AlohaCare Advantage Plus will be responsible for the costs.

### **Introduction**

This booklet provides a list of AlohaCare Advantage and AlohaCare Advantage Plus' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and AlohaCare Advantage and AlohaCare Advantage Plus' formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means AlohaCare. When it refers to “plan” or “our plan,” it means AlohaCare Advantage and AlohaCare Advantage Plus.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under AlohaCare Advantage and AlohaCare Advantage Plus only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 07/29/2013. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

#### How to find pharmacies in this directory

The pharmacies are listed by island and pharmacy type within each island. You can also find a pharmacy by business name in the alphabetical listing in the back of this directory. The alphabetical list will refer you to the page where you can find the pharmacy's name, address and phone number.

Pharmacies identified with two asterisks ( \*\* ) provide an extended day supply of medications. Contact the pharmacy for more information.
