Note that for purposes of this certification, completion of an activity includes taking the steps necessary to receive credit and obtain documentation of completion. If you cannot certify that you are eligible to renew your license because one of the statements applies to you, then you must contact the Board of Medical Practice to discuss your renewal application. You are not required to submit documentation of your CME activities with your renewal application, but licensees are subject to audit and may be asked to submit such documentation during the next two licensing cycles (for this renewal, through November 30, 2018).

### **Workforce Survey**

---

"Since 1999, the State of Vermont has been conducting a census of some professions every two years as part of relicensing. This has allowed us to monitor changes in Vermont's health care workforce. In 2012, the Legislature enacted a law to make work force data collection mandatory for all health care professions at license renewal as a necessary part of health care reform and planning for our health care future. We would like to thank you for your participation in this census."

You must complete the workforce survey before you may complete your application to renew your license. The mandatory workforce survey is accessed by clicking [here](#)
