Law360, New York (January 17, 2013, 4:58 PM ET) -- Lewis Brisbois Bisgaard & Smith LLP was hit with a malpractice suit by a Los Angeles doctor Tuesday accusing the law firm of professional negligence in an underlying medical malpractice lawsuit in which the doctor faced a \$6 million judgment.

In a complaint filed in California state court, Rubin Marmet claimed the law firm had not adequately protected his interests in the underlying suit by taking on the defense of three defendants in the suit — who were hit with the \$6 million judgment in January...
