License Details

The Department of Consumer Affairs encourages you to verify the license statuses of any licensees that may appear in a 'Related License' section below. You can verify these licensees by selecting 'New Search' and conducting a new search using the 'Search by Personal or Business Name' option. Please note that the 'Related License' section will only appear below if this license is related to another license. Not all licensees have a related license.

If the License Details below include 'Date of Graduation', the month and date of graduation may not be available. In this instance it will be displayed as '01/01/YYYY' where YYYY represents the year of graduation. Please note that not all license types disclose 'Date of Graduation' on the License Details screen.
