About Us

Our Doctor

Josepha Seletz, MD is board certified by the American Board of Obstetrics and Gynecology. She has been on staff at Cedars-Sinai Medical Center in the department of Obstetrics and Gynecology for more than 25 years. Before limiting her practice to abortion services, she had a full Ob/Gyn practice which included gynecological surgery and high-risk obstetrics.

She was the only abortion provider at Eve Surgical Center for the past 9 years and is proud of her reputation as the most experienced abortion provider in the western United States. She has an outstanding reputation with health care professionals in California, Nevada, Arizona, Oregon, and Washington. She has earned the trust and referrals of over one thousand obstetricians, maternal-fetal-medicine specialists, and genetic counselors throughout the United States

Patients find it reassuring to have a female doctor catering to their most personal needs. You can feel confident that Dr. Seletz will personally take the time to make you feel at ease and address all your concerns. After all, a woman understands your situation better than anybody. Dr. Seletz is the mother of three grown daughters and is an active member of the Los Angeles Jewish community. Her hobbies include cooking, reading, and playing the accordion.

Our Anesthetist

Rob MacLennan, CRNA is a county hospital trained anesthetist, taught at UCLA, and has been in private practice for the past 25 years. Dr. Seletz and Rob have worked together for the past 9 years. Rob will make sure you are comfortable throughout your procedure. Rob is the father of two grown sons. His hobbies are antique collecting and home restoration.

Our Office Administrator

Angela Lopez is a veteran of Eve Surgical Center where she has worked for the past 20 years. Throughout her career, she has worked the front and back office before assuming the position of practice manager at Pro-Choice Medical Center. Angela loves her job and specializes in making an otherwise difficult situation an uneventful experience. She is the mother of two sons.

Privacy

parental consent in the state of California. If you wish your identity to remain anonymous let the counselor know when you call to make an appointment. No one will call or write to you without your permission.
