CERTIFIED MAIL

Dear Ms. Carhart:

The enclosed report documents a finding of noncompliance with the licensure regulations for Health Clinics prepared following the complaint investigation at your facility completed on August 6, 2015 by [REDACTED] Registered Nurse and [REDACTED] Nutrition/Dietitian, surveyor with the Nebraska Department of Health and Human Services Division of Public Health.

The violations found must be corrected within 90 days to avoid disciplinary action against the facility's license. Therefore, a written statement of compliance must be submitted to the Department within 10 working days of receipt of this letter. The statement of compliance must include the following:

- 1) How the corrective action will be accomplished for individuals found to have been affected by the violation;
- 2) What measures will be put into place for systemic changes made to ensure that the violation will not recur and how potential to affect others will be identified;
- 3) How the facility will monitor its corrective actions/performance to ensure that the violation is being corrected and will not recur, i.e. what program will be put into place to monitor the continued effectiveness of the systemic change to ensure that solutions are permanent;
- 4) Identify person(s) by position, not individual name, who will be responsible for monitoring and ensuring that compliance is achieved and continues;
- 5) A realistic date by which each violation will be corrected; and
- 6) Signature of the administrator or other authorized official and date.

If you fail to submit and implement a statement of compliance, the Department may initiate disciplinary action against the facility license.

If you have any questions regarding this correspondence, contact this office.

Sincerely,
