Malpractice History

Settlements in malpractice claims occur for a number of reasons, and are often made without any admission, inference or finding of fault on the part of the practitioner. Some medical specialties have a higher rate of malpractice claims because of higher risks associated with certain specialty practices. The malpractice information reported below should not be construed as creating a presumption that medical malpractice has occurred.

Action	Loss Date	Action Date	Insurance Company	Adjudicating Body/Case #
Settlement	8/3/1987	1/19/2004	Wv Insurance Guaranty	/
