I received my M.D. from Yale School of Medicine. Later I completed my specialisation in Obstetrics and Gynecology at the University of California, San Francisco. and her fellowship in Family Planning and Global Women's Health at Brigham and Women's Hospital.

She holds an M.P.H from the Harvard School of Public Health. She is in search of a job that will allow her at least 25 per cent of her time annually to continue working with MSF in the field.

[One hand does not clap - Afghani proverb](#)

October 12, 2017

"I was told the patient had delivered at home earlier that night and was brought to our hospital bleeding. Her family had waited for daybreak when they could travel to us safely. The patient was not awake but appeared to be breathing and had a pulse; we moved her to a stretcher and rushed her into the operating theatre (OT), simultaneously calling the anaesthesia staff and sending the caretaker to our blood bank."

[MSF in Afghanistan](#)

January 15, 2014

The conflict in Afghanistan continues to limit access to quality healthcare services. MSF has several missions around the country, helping the people living there.
