Dr. St. Martin,

The Louisiana Board of Pharmacy has received two Applications for New Louisiana Controlled Dangerous Substance Licenses and fees on June 8, 2018. When processing your applications we noticed that you already have an **active** CDS license, CDS.042294-MD, with our office with a physical practice address of 1125 Marguerite St., Morgan City, LA 70380-1855. Before moving forward with issuing two additional licenses we would like to verify that you need three CDS licenses: one license for 1125 Marguerite St., Morgan City, LA 70380-1855, one license for 756 Colonial Drive, Baton Rouge, LA 70806, and another license for 2701 General Pershing St., New Orleans, LA 70115. To assure you do need the additional CDS licenses, we are offering the following information for your review .

Practitioners

2. For the purpose of prescribing controlled substances, a Louisiana CDS license issued to a practitioner shall be valid in any location in Louisiana; however, the procurement and possession of

controlled substances shall require a separate CDS license for each such location where controlled substances are possessed.

3. A prescribing practitioner desiring to procure and possess controlled substances at only one location need only obtain a single CDS license.

An example of procurement of CDS would be when the practitioner orders Controlled Dangerous Substances with their personal DEA from the manufacturer for use at the specified address. An example of possession of CDS would be when the practitioner is personally in charge of the storage, maintenance, and record keeping of the Controlled Dangerous Substances at the specified location.

If you intend to possess/procure CDS at all three locations, we will be happy to comply with your request and continue the process of issuing the additional licenses. If you are possessing at only one location we will update the address on your current CDS license to reflect the physical address that you will possess at. With the one CDS license you will be able to possess at the physical location and prescribe anywhere in the state (contingent upon the privileges of your Louisiana State Board of Medical Examiner's license, of course.)

Please let me know how you would like to proceed by responding to this correspondence. Feel free to contact us with any CDS licensing questions.

For the Board,

Nerissa Montgomery
