

CU GME Health Benefits Plan Medical Provider Directory

September 2018

Supersedes all previous directories.

The directory is designed to be a helpful and convenient source of information, and all information is believed reliable at the time of publication. The information it contains, however, is subject to change. Services rendered will be reimbursed at out-of-network rates for any provider not in the network on the date the patient is seen.

To verify provider network status, plan member eligibility and submit claims, contact:

CU GME Health Benefits Plan

c/o AmeriBen/IEC Group
P.O. Box 7186
Boise, ID 83707

Customer Care Center: 1-866-955-1498

Caution: Some "UCHealth" facilities may not be in-network for this Plan. Use this Provider Directory to find network providers.

**Read the information in the directory introduction.
You will save time and money.**

*Access to Plan Document (details of services covered by the Plan) and Behavioral/Mental Health
In-Network Provider Listings:*

www.medschool.ucdenver.edu/gme/healthdental

When pre-certification/certification is required but not obtained, benefits will be denied and the Resident will be responsible for payment of all related charges.

INTRODUCTION

This supercedes all previous directories.

This is a Directory of the in-network medical/surgical providers* for the CU GME Health Benefits Plan. The providers listed in this Directory are the only in-network providers for these services and are in-network only at the address listed in the directory. When you obtain covered services from providers in this Directory, they will handle the paperwork for you, and you will have 100% coverage, after copayment, for eligible expenses. (See Plan Document for plan provisions.) However, please be sure to familiarize yourself with a few important facts about the Plan and the Network.

- If you see a listed provider at any other location, your visit may be out-of-network.
- When you see a CU Medicine Provider at CU Medicine clinic listed in this directory, they are in-network providers.
- If a covered provider orders a test or procedure, and any part of that service (facility charge, professional fee, etc), includes a fee from an out-of-network provider or facility, that service may be out-of-network.

For out-of-network services you are responsible for out-of-pocket expenses, including the deductible, coinsurance, and any amount which exceeds usual and customary allowables.

***Exceptions to listings in the Medical/Surgical Provider Directory:**

Behavioral/Mental Health In-Network Provider Listings

Posted at www.medschool.ucdenver.edu/gme/health/dental "Behavioral/Mental Health Services Provider and Facilities" link. In-network providers on the Anschutz Medical Campus are the CU Medicine Behavioral/Mental Health providers. In-network providers off campus are through the Mines & Associates Provider Network.

Claims for behavioral/mental health services are submitted directly to the Medical/Dental Claims Administrator identified on your ID card.

Dental Services

There is no network of providers for dental services. You may obtain services from any dentist (or hygienist) who is licensed to practice in the state where services are rendered. For a complete list of dental benefits, refer to the Plan Document, which is posted on the website:

www.medschool.ucdenver.edu/gme/healthdental.

Payment of Dental Services

If your provider is willing to submit your claim to the insurance on your behalf, they may send their statement directly to the Medical/Dental Claims Administrator identified on your ID card. Their statement should include the name and insurance ID number of the Plan Member (resident) and the name of the patient. Payment will be made directly to your provider, and you will receive a copy of the payment notice/EOB (Explanation of Benefits).

If your provider requires payment at the time of service, or they do not bill insurance for their patients or this Plan, they should give you an itemized statement to send to the Claims Administrator. If you pay the provider, please indicate clearly on the statement that reimbursement should be made payable to the Plan Member.

Pre-Certification/Certification

See Plan Document for complete list of services requiring pre-certification/certification.

For medical/surgical certifications, contact:

CU Health Plan Medical Management at (303) 493-7507

For inpatient mental health certification, contact:

Mines & Associates (800) 873-7138

Emergency Admissions: Medical Management must be notified within 48 hours of confinement, (within 72 hours of confinement beginning on a Friday or Saturday) or as soon as reasonably possible.

If a Plan Participant has a Medical Emergency requiring immediate care, as certified by Medical Management, the Plan Participant may not be subject to Non-network Plan provisions for certain Non-network services such as ambulance services or inpatient admissions.

ID Cards

Combination **Medical/Dental/Prescription ID Cards** are issued to each resident. Any enrolled family member who is covered under the CU GME Health Benefits Plan may use this card. If you need a replacement card, please contact the Medical/Dental Claims Administrator:

AmeriBen/IEC Group (866) 955-1498

Prescription Drug Coverage

Outpatient Prescriptions are covered through Navitus Health Solutions using your Benefits ID Card. Your card may be used to obtain covered prescriptions for any enrolled family member. Residents and fellows are NOT allowed to self-prescribe or prescribe for family members, other residents, or the family members of other residents. For assistance or information regarding outpatient pharmacy benefits, contact:

Navitus Health Solutions (866) 333-2757
