Notice to users of this site: *Information obtained through the Certification Matters website is intended for patient use only, and is not valid or authorized for use by professional organizations. Professional users who are looking up doctors to verify credentials or investigate doctors for business, commercial or any purposes other than those described for patient use, and for Primary Source Verification (PSV) services, please contact our professional services team at ABMS Solutions at (800) 733-2267.*

The physician certification information in the ABMS database is updated periodically with data provided by its 24 Member Boards. Due to the possibility of reporting and processing delays, the accuracy and completeness of records cannot be guaranteed. ABMS shall not be liable to you or others for any decision made or action taken by you in reliance on the information obtained from this service. It is the user's responsibility to determine that the physician record obtained is that of the physician whose information is sought.
