License Verification and Disclaimer

This verification service provides current data extracted by the Idaho Board Of Medicine (IBOM) from its own database. The data in this web site is provided by and controlled entirely by the IBOM and therefore constitutes a primary source verification of licensure status as authentic as a direct inquiry to the IBOM. The information provided through the verification service is all of the information pertinent and available in that field of information in the IBOM database. The data is updated daily. No responsibility is assured or implied for errors or omissions created by technical difficulties. No one shall be entitled to claim detrimental reliance thereon. For information regarding those categories not included in the database and/or concerns about transmissions errors, inconsistencies, or other data issues that may be identified from time to time, contact the IBOM.
