AY17-18

- Anastasia Vishnevetsky (Resident, BWH Internal Medicine) - *International Elective in Clinical Medicine in Mirabelais, Haiti.*
- Bryant Shannon (Resident, PHS Emergency Medicine) - *International Elective at Groote Schuur Hospital in Cape Town, South Africa.*
- Carlo Canepa (Fellow, MGH Wilderness Medicine) - *Lung Ultrasound for the Detection of Subclinical High Altitude Pulmonary Edema (HAPE), Nepal. [Accepted application accessible here.](#)*
- Daniel Gessner (Resident, BWH Anesthesiology) - *One Month Rotation with the Rwanda Teaching Program, Rwanda. [Accepted application accessible here.](#)*
- Henrietta Afari (Resident, MGH Internal Medicine) - *Clinical Elective Experience in Mbarara Regional Referral Hospital, Uganda. [Accepted application accessible here.](#)*
- Kiran Agarwal-Harding (Resident, PHS Orthopaedic Surgery) - *Health system navigation by patients with femoral fractures in Malawi: a qualitative study, Malawi. [Accepted application accessible here.](#)*
- Naima Joseph (Fellow, PHS Global Women's Health) - *Primary HPV Testing for Cervical Cancer Screening in Community Health Fairs in Rural Uganda, Uganda. [Accepted application accessible here.](#)*
- Susan Sotardi (Fellow, MGH Neuroradiology) - *Developing the Imaging Infrastructure in Ethiopia, Ethiopia. [Accepted application accessible here.](#)*
- Emily Cleveland Manchanda (Resident, PHS Emergency Medicine) - *Burden of disease at a rural emergency department: patients seen at the emergency department at the Hôpital Universitaire de Mirebalais in the first five years of operation (2013-2018). [Accepted application accessible here.](#)*
- Haley Thun (Resident, BWH Internal Medicine) - *Clinical Rotation at Northern Navajo Medical Center*
- Helai Hesham (Fellow, MGH Female Pelvic) - *Freedom from Fistula: Fistula Research and Surgery in Lilongwe, Malawi. [Accepted application accessible here.](#)*
- Jing Ring (Resident, MGH Internal Medicine/Pediatrics) - *Policy Landscape and Program Design for a Multi-national Pediatric TB Project. [Accepted application accessible here.](#)*
- Mark Harris (Resident, BWH Anesthesiology) - *Educational Rotation with the CASEIF/ASAGHO Rwanda Teaching Program. [Accepted application accessible here.](#)*
- Morgan Prust (Resident, PHS Neurology) - *Smartphone-Based EEG as a Screening Tool for Status Epilepticus in Patients with Altered Mental Status in a Zambian Hospital. [Accepted application accessible here.](#)*
- Alexandra Adler (Resident, MGH Anesthesiology) - *Teaching and Clinical Rotation in Vietnam. [Accepted application accessible here.](#)*
- Allyson Lemay (Resident, BWH Anesthesiology) - *Rheumatic Heart Disease in an underserved Rwandan population: Identification, Treatment, and Prevention. [Accepted application accessible here.](#)*
- Ashish Rai (Resident, NSMC, Internal Medicine) - *Pilot study of flutter valve devices among patients with chronic obstructive pulmonary disease (COPD) in India. [Accepted application accessible here.](#)*
- Melanie Sion (Fellow, BWH Surgical Critical Care) - *Surgical Education Curriculum in Malawi*

AY16-17

- Alister Martin (Resident, PHS Emergency Ultrasound) - *Characterizing the State of Point of Care Ultrasound in Colombia and Developing Behavioral Economics Based Interventions to Increase Its Use Among Emergency Medicine Trainees, Colombia. [Accepted application accessible here.](#)*
- David Bartels (Resident, MGH Anesthesiology) - *Perioperative education of University of Botswana School of Medicine students and needs assessment of Botswana's first ever anesthesiology residency program, Botswana. [Accepted application accessible here.](#)*
- Devan Bartels (Resident, MGH Anesthesiology) - *Perioperative education of University of Botswana School of Medicine students and needs assessment of Botswana's first ever anesthesiology residency program, Botswana. [Accepted application accessible here.](#)*

accessible here.

- Ingrid Liff (Fellow, MGH, Maternal Fetal Medicine) - *The length of the cervix among HIV-infected women in Botswana, Botswana.* [Accepted application accessible here.](#)
- Katherine Albutt (Resident, MGH Surgery) - *Measurement of LCoGS Indicators in Uganda, Uganda.* [Accepted application accessible here.](#)
- Katherine Garlo (Fellow, PHS Nephrology) - *Health Education Program with Village Health Workers in Remote Alpine Nepal, Nepal.* [Accepted application accessible here.](#)
- Kristin Alves (Resident, PHS Orthopaedic Surgery) - *Injection Risk Analysis for Sub-Sahara African Children with Gluteal Fibrosis, Uganda.* [Accepted application accessible here.](#)
- Madeleine Matthiesen (Resident, MGH Internal Medicine/Pediatrics) - *Clinical mentorship and medical education at a rural health clinic in Chiapas, Mexico.* [Accepted application accessible here.](#)
- Mazen Albaghdadi (Fellow, MGH Interventional Cardiology) - *Cardiac Catheterization Capacity Building and Clinical Research Registry Infrastructure Development in Tanzania.* [Accepted application accessible here.](#)
- Robert Regenhardt (Resident, PHS Neurology) - *Assessment of motor recovery and depression in people living with HIV and stroke in Sub-Saharan Africa, Tanzania.* [Accepted application accessible here.](#)
- Shekinah Elmore (Resident, MGH Radiation Oncology) - *Supporting the development of national oncology treatment guidelines for most prevalent malignancies in Botswana.* [Accepted application accessible here.](#)
- Anuja Singh (Resident, PHS Global OB/GYN) - *International Elective at Scottish Livingstone Hospital in Molepolole, Botswana.* [Accepted application accessible here.](#)
- Shana Osho (Resident, MGH Surgery) - *Tristate-Babcock-LASUTH Cardiothoracic and General Surgery Rotation, Nigeria.* [Accepted application accessible here.](#)
- Daniela Buscariollo (Resident, PHS and BIDMC, DFCI and BCH, Radiation Oncology) - *Expanding global training opportunities in radiation oncology: Establishment of an ACGME-accredited international radiation oncology residency elective, Botswana.* [Accepted application accessible here.](#)
- Jeff McLaren (Resident, BWH Anesthesiology) - *Team Heart in Rwanda: A clinical educational experience in the global effort to prevent and treat Rheumatic heart disease, Rwanda.* [Accepted application accessible here.](#)
- Jonathan Cunningham (R, BWH Internal Medicine) - *Internal Medicine & Quality Improvement at Scottish Livingstone Hospital, Botswana.* [Accepted application accessible here.](#)
- Matthew Swisher (Resident, BWH Anesthesiology) - *Cardiac anesthesia care in Rwanda: training the first generation of cardiac anesthesiologists, Rwanda.* [Accepted application accessible here.](#)
- Oren Johnson (Resident, BWH Radiology-Diagnostic) - *Expanding Brigham Radiology's Role in Education and Clinical Support at Partners in Health, Hôpital Universitaire de Mirebalais, Haiti.* [Accepted application accessible here.](#)
- Scott Naby (Resident, MGH Internal Medicine/Pediatrics) - *Mentoring junior resident physician quality improvement projects in southwest Uganda.* [Accepted application accessible here.](#)

AY15-16

- Jessica Hoy (Resident, BWH Internal Medicine) – *Rural Care at the Indian Health Service, Shiprock*
- Oluwatosin Onibokun (Resident, PHS, OB/GYN) – *Evaluating the Knowledge , Attitudes, and Practices towards the use of intrauterine devices (IUDs) for Conception Purposes in adolescents, nulliparous, and unmarried women across various healthcare providers at the University College Hospital (UCH), Nigeria*
- Elliott Woodward (Resident, BWH Anesthesia) – *Anesthesia education for health care providers in Central University Hospital of Kigali*
- Matthew Gartland (Resident, MGH Medicine-Pediatrics) – *Rural primary care in Chiapas, Mexico with Partners in Health*
- Ann Woolley (Fellow, PHS Infectious Disease) - *Managing the Infectious Complications in Cancer Patients in Botswana*
- Tony Joseph (Resident, PHS Emergency Medicine) - *Implementation of a point of care ultrasound training program for diagnostic imaging in southwestern Uganda*
- Rose Molina (Fellow, BWH Global Women's Health) - *Evaluating Acceptability of a Rural Maternal Center after Implementation of a Community Intervention to Reduce Home Births in Chiapas, Mexico*
- Altaf Saadi (Resident, PHS Neurology) - *Providing neurologic care and teaching at University Teaching Hospital (UTH) in Lusaka, Zambia*
- Kaysia Ludford (Resident, BWH Internal Medicine) - *Providing primary medical care to adults, children and pregnant women in rural Chiapas, Mexico*
- Melanie Johnchilla (Fellow, BWH Pathology) – *Telepathology implementation in Trinidad and Tobago*
- Erin Blackstock (Resident, MGH Internal Medicine) - *Immersion in Critical Care Medicine at the University Teaching Hospital of Kigali*
- Isaac Solomon (Fellow, BWH Medical Microbiology) - *Implementation of synoptic reporting for cervical and breast cancer in Rwanda*
- Isabel Algaze Gonzalez (Fellow, MGH Wilderness Medicine) – *Relationship between Cognitive Impairment and Acute Mountain sickness*
- Kristin Ojomo (Resident BWH Surgery) - *Using Mobile Health Technology to Identify and Refer Surgical Site infections in Rwanda*
- Nahzine Shakeri (Resident BWH Emergency Medicine) - *Academic Emergency Medicine in Mirabelais, Haiti*

- Lydia Helliwell (Resident BWH Plastic Surgery) – *Hand Surgery Mission Trip in Kigali Rwanda*
- Kristin Dwyer (Fellow BWH Emergency Ultrasound) – *Bedside Ultrasound Education and Lung Research in Kigali, Rwanda*
- Lara Jirmanus (Fellow BWH Global Women's Health) - *Building a Partnership for Community Health in an Underserved Neighborhood in Beirut*
- William Slikker (Fellow BWH Hand Surgery) - *Initiation of an International Outreach Program for Hand Surgery Fellows at BWH: A Clinical and Educational Medical Mission in Port-Au-Prince, Haiti*
- Erica Nelson (Resident BWH Emergency Medicine) – *Palestine/Israel Medical Refugeeism Project: A Qualitative/Quantitative Inquiry on the Barrier to Health Care Access*

AY14-15

- Geoffrey Anderson (Resident, MGH General Surgery) - *Improving Surgical Care through Research and Education*
- Chethan Bachireddy (Resident, BWH Internal Medicine) - *Complex Care Management for Vulnerable Populations*
- Catherine Bennet (Resident, MGH Internal Medicine) - *Development and Implementation of Best Practices in the Prevention, Diagnosis and Treatment of Cardiac Disease at MRRH*
- Shubha Bhat (Resident, BWH Internal Medicine) - *Comparing Different Models of Preventative Healthcare Delivery*
- Alessandra Calvo-Friedman (Resident, BWH Internal Medicine) - *Global Primary Care in Chiapas, Mexico*
- Yeu-Shin Cindy "CJ" Chang (Resident, PHS Emergency Medicine) - *Pilot test of a medical emergency documentation and clinical decision support tool for emergency departments in low- and middle-income countries*
- Nikunj Chauhan (Resident, BWH Radiology) - *Diagnostic and Interventional Radiology Outreach and Training*
- Jeffrey Chick (Resident, BWH Radiology) - *Diagnostic and Interventional Radiology Outreach and Training*
- Vinca Chow (Resident, BWH Anesthesiology) - *Building Local Capacity and Self-Directed Learning Skills in Rwanda through Simulation Training and Interactive Teaching*
- Erika Chowa (Resident, PHS Emergency Medicine) - *Point-of-Care Ultrasound Trainings for Emergency Medicine Residents*
- Ang Li (Resident, MGH Internal Medicine) - *Establishment of a Formal, Sustainable International Health Elective in China*
- Crystal North, (Fellow, MGH Pulmonary Disease and Critical Care Medicine) - *HIV and Household Air Pollution: Chronic Respiratory Disease in a Global Context*
- Chika Wachukwu (Resident, MGH Internal Medicine) - *Turning Barriers to Care into Intervention for Cancer Patients in Botswana*
- Rebecca Posthuma-Batalden (Fellow, MGH Female Pelvic Medicine and Reconstructive Surgery) - *Treating & Preventing Obstetric Fistula*
- Sishir Rao (Resident, MGH Radiology) - *Healthy hearts in rural India: an immersion experience*
- Johanna Riesel (Resident, MGH General Surgery) - *Typhoid Perforations: Incidence, Epidemiology, Surgical Management and Outcomes*
- Jack Rowe (Resident, MGH Medicine-Pediatrics) - *Enhancing clinical care in rural Mexico through the education of local, first year physicians*
- Jamie Rubin (Resident, MGH Anesthesiology) - *Promoting best anesthetic practices for children undergoing cranio-facial procedures in Vietnam*
- Saurabh Shukla (Resident, PHS Neurology) - *Neurons with Uniforms"" Discovering Neurology at Armed Forces Medical Institution in India*
- David Silvestri (Resident, PHS Emergency Medicine) - *Patient Demographic Distribution and Chief Complaints in Ethiopian EDs*
- Cynthia So-Armah, (Resident, BWH Internal Medicine) - *Exploring Models of Primary Care Delivery*

AY13-14

- Emily Aaronson (Resident, BWH/MGH Emergency Medicine) - *Impact of Process Mapping in Low Resource EDs - Accra, Ghana*
- Isaac Benowitz (Resident, MGH Pediatrics) - *Health disparities of Alaska Natives*
- Adeline Boatin (Fellow, MGH OB/GYN - Global Health) - *Ob-Gyn MGH-MUST Academic Collaboration - Mbarara, Uganda*
- Ross Boyce (Resident, MGH, Internal Medicine) - *Spatial Epidemiology of Malaria - Mbarara, Uganda*
- Kate Brizzi (Resident, BWH/MGH Neurology) - *Smartphone EEG to Diagnose Epilepsy and Correlation with MRI Findings - Thimphu, Bhutan*
- Nirma Bustamante (Resident, BWH/MGH Emergency Medicine) - *Basic First Response Training and Disaster Exercises - Mbarara, Uganda*
- Beverly Chang (Resident, BWH Anesthesiology) - *Teaching Anesthesiology in Rwanda*
- Jennifer Chen (Fellow, MGH Gastroenterology/Hepatology) - *A Novel Treatment Algorithm for Management of Chronic HBV Infection - Mbarara, Uganda*
- Sarah Rae Easter (Resident, BWH/MGH Obstetrics and Gynecology) - *Improving Maternal Child Health - Mbarara, Uganda*
- Allyson Brooke W. Eastham (Resident, BWH/MGH Harvard Combined Dermatology) - *Exploring Advanced Inpatient Medical and Tropical Dermatology and the Laser Treatment of Disfiguring Vascular Anomalies - Vietnam*

- Meredith Eicken (Resident, MGH Internal Medicine-Pediatrics) - *Collaboration in Medical Education and Clinical Care* - Mbarara, Uganda
- Norman Miles Farr (Resident, MGH Medicine-Pediatrics) - *Indian Health Service visiting elective* - New Mexico
- McKinley Glover IV (Resident, MGH Diagnostic Radiology) - *Evaluating routine maternal ultrasound screening programs* - Kenya
- Sarah Kimball (Resident, BWH HVMA/BWH Internal Medicine/Primary Care) - *Understanding Primary Care Delivery in Chiapas, Mexico*
- Rebecca Luckett (Resident, BWH/MGH Obstetrics and Gynecology) - *Ob-Gyn clinical rotation in Senegal*
- Jessica Magidson (Fellow, MGH Global Psychiatric Clinical Research) - *Improving depression and HIV medication adherence for HC workers* - Zimbabwe
- Ashkon Shaahinfar (Resident, MGH Pediatrics) - *Accompaniment, Empowerment and Health Disparities in the Indigenous Zapatista Communities* - Chiapas, Mexico
- David Young (Resident, MGH Emergency Medicine) - *Emergency Care Capabilities in Western Kenya*

AY12-13

- Maithri Ameresekere (Resident, MGH/McLean Psychiatry) – *Understanding patient-level barriers to accessing mental health services in Liberia and among Liberian immigrants in the United States* – Monrovia, Liberia
- Aaron Berkowitz (Resident, PHS Neurology) – *Design of a neurology curriculum for medical residents and assistance in neurologic care* – Queen Elizabeth Central Hospital / University of Malawi College of Medicine, Blantyre, Malawi
- David Beversluis (Resident, Harvard-Affiliated Emergency Medicine Residency) – *Characterizing emergency medicine in Colombia* – Bogota, Medellin, and Cartagena, Colombia
- Jhilam Biswas (Resident, Harvard Longwood Psychiatry Residency) – *Integrating mental health in a world without psychiatrists* – Bangalore, India
- Tiffany Chao (Resident / Research Fellow, MGH Surgery) – *Surgical care delivery and operative capacity* – John F. Kennedy Medical Center, Monrovia, Liberia
- Rebecca Cook (Resident, MGH Internal Medicine-Pediatrics) – *Community-based healthcare* – MGH-Mbarara University of Science and Technology, Mbarara, Uganda and Bugoye Health Center, Bugoye, Uganda
- Paul Drain (Fellow, MGH Infectious Diseases) – *Determining HIV-associated cryptococcal disease with clinic-based, point-of-care screening in a poor, urban township* – Durban, South Africa
- H. Benjamin Harvey (Resident, MGH Radiology) – *Evaluating routine maternal ultrasound screening programs in resource-limited areas* – Kisumu, Kenya
- Eva Tovar Hirashima (Resident, Harvard-Affiliated Emergency Medicine Residency) – *Sexual health of migrant women in transit through Mexico* – Migrant shelters along the main routes of migration in Mexico
- Sarah Lee (Resident, MGH Anesthesiology, Critical Care & Pain Medicine) – *Lectures to Anesthesia residents in Peru: Managing challenges and avoiding pitfalls in common Anesthesia cases* – Lima and Arequipa, Peru
- Elizabeth Levey (Resident, MGH/McLean Psychiatry) – *Hopes and dreams of youth in post-conflict Liberia* – Cape Coast University Medical School, Ghana; field work in Liberia
- Badri Modi (Resident, MGH Medicine) – *Liposomal Daunorubicin for Kaposi's Sarcoma* – AMPATH Clinic, Eldoret, Kenya
- Peter Moschovis (Fellow, Harvard Pulmonary and Critical Care Medicine) – *Research on nutritional and environmental risk factors for childhood lower respiratory infections* – Mbarara, Uganda
- Shibani Mukerji (Resident, Partners Neurology) – *Infectious and cerebrovascular diseases in Peru: Clinical presentations and treatments* – Lima, Peru
- Margarita Ramos (Resident, BWH Surgery) – *Quality of life and socioeconomic impact of unrepaired cleft lip & palate in low-resource settings* – Bogota, Colombia / Assam, India
- Ramnath Subbaraman (Fellow, BWH/MGH Infectious Diseases) – 1) *“Missing the shot: a mixed methods study to identify reasons for low child immunization rates in Mumbai's urban slums”* 2) *“Highlighting critical deficiencies in tuberculosis and HIV care for high-risk populations in India: a survey of private sector healthcare providers”* – Mumbai and Chennai, India
- JaBaris Swain (Resident, BWH Surgery) – *Partnership for a sustainable cardiovascular program in Sub-Saharan Africa* – Kigali, Rwanda / Dakar, Senegal
- Sarah Wahlster (Resident, PHS Neurology) – *Improving neurological care and education* – MGH-Mbarara University of Science and Technology, Mbarara Regional Referral Hospital, Mbarara, Uganda
- Craig Williamson (Resident, PHS Neurology) – *Improving neurological care and education* – MGH-Mbarara University of Science and Technology, Mbarara Regional Referral Hospital, Mbarara, Uganda

AY11-12

- Cheri Blauwet (SRH, Physical Medicine and Rehabilitation) - *Implementation of a Comprehensive Rehabilitation Strategy in Post-Earthquake Haiti*
- Marjory Bravard (MGH Internal Medicine) - *Observing and integrating into the local ecosystem of global health technology development in Mbarara, Uganda*
- Joan Camprodon (MGH Psychiatry) - *Cultural beliefs, attitudes and stigma in Epilepsy and Psychosis as determinants of treatment compliance, Mumbai, India*
- Kyle Chambers (HMS Otolaryngology) - *Mbarara-Harvard Otolaryngology Exchange*

- Brian T. Chan (Fellow, PHS Infectious Disease) - *Trends in HIV care in southern India and implications for future practice*
- Patrick J. Codd (MGH Neurosurgery) - *Improving Neurotrauma Outcomes through Ongoing Educational Outreach and Neurosurgical Capacity Building in Mbarara, Uganda*
- Sunshine Dwojak (PHS Otolaryngology) - *Outcomes, HPV status, and Attitudes among American Indians in South Dakota with Head and Neck Cancer*
- Kevin Golden (BWH Pathology) - *Rotating Fellowship in Surgical Pathology, Malawi*
- Alexander T. Hawkins (MGH General Surgery) - *Adaptation to Amputation in Tanzania*
- Brooke Lane Howett (BWH Anatomical Pathology) - *Determination and prevalence of HPV types in cervical neoplasia in Malawi*
- Sudha Jayaraman (BWH Trauma and Surgical Critical Care) - *Trauma and Critical Care in Johannesburg, South Africa Academic Hospital*
- James Kelley (BWH Clinical Pathology) - *Providing Transfusion Medicine Educational Programs to Primary Care Physicians in Southern Africa*
- Paul J. Krezanoski (MGH Medicine-Pediatrics) - *Objective Monitoring of Anti-malarial Bednet Adherence in Rural Uganda (SmartNet)*
- Jennifer Lewey (BWH Medicine-Pediatrics) - *Pediatric and adult cardiovascular disease in India: a clinical and research elective*
- Jonathan Reisman (MGH Internal Medicine) - *Pneumococcal Colonization in Alaskan Native Children: Household Transmission and the Impact of Socioeconomic Factors and the PCV13 Vaccine*
- Beth Riviello (BWH Pulmonary and Critical Care) - *Improving Surgical and Obstetric Outcomes in Rwanda: Implementation and Evaluation of a Surgical Safety Program*
- Radhika Sundararajan (PHS Emergency Medicine) - *Measuring "illness" and treatment-seeking behavior in rural India: a qualitative study of malarial infection among marginalized populations, Gadchiroli, Maharashtra, India*
- Anna Terry (MGH Neurosurgery) - *Improving head trauma and critical care capacity in a resource-poor setting: Mbarara University of Science and Technology, Southwestern Uganda*
- Oriana Vesga-Lopez (MGH Psychiatry) - *Assessing Mental Health and Psychosocial Status in Post-Conflict Liberia*
- Ana Weil (MGH Internal Medicine) - *Phenotypic characterization of T cell memory responses in acute V. cholerae infection, Bangladesh*
- Anna Yuan (BWH Dentistry) - *Implementation of basic oral health care delivery systems in Haiti*

AY10-11

- Claire Brickell and Andrea Spencer (MGH Adult and Child Psychiatry) - *Training Peruvian Health Professionals to Treat and Evaluate Victims of Trauma: A Four Year Follow-Up*
- Tiffany Chao (MGH Surgery) - *Assessment of Surgical and Anesthesia Infrastructure in low-income countries, and the role of NGOs in the provision of emergency and essential surgery - Harvard Humanitarian Initiative project*
- Felicia Chow (PHS Neurology) - *Clinical rotation in neurology in Guangzhou and surrounding Guangdong province to explore community-based approaches to subspecialty care in resource-poor settings with few neurologists*
- James Colbert (BWH Internal Medicine) - *Ambulatory Primary Care Elective at the Chinle Comprehensive Health Care Facility*
- Eli Diamond (PHS Neurology) - *Neurological Disease in the Underserved Legal Residents of Israel and in Rural Palestinian Villages and Towns*
- Esther Freeman (PHS Dermatology) - *Utilization of empiric treatment for leishmaniasis in endemic communities of Peru*
- Dan-Victor Giurgiutiu (PHS Neurology) - *Neurologic Care in an Urban Public Hospital in Ho Chi Minh City*
- Merali Hasan (MGH Pediatrics) - *Shipboard Primary Care at The Lake Clinic, Cambodia*
- Tanvir Hussein (BWH Internal Medicine/Primary Care) - *The Role of Community Health Workers in Managing Coronary Artery Disease in the Urban Slums of India*
- Emily Kendall (MGH Internal Medicine) - *Identification of clinical, socioeconomic, and molecular factors associated with MDR-TB treatment response in rural South Africa*
- Esther Luo (Fellow, HMS Palliative Medicine) - *Integration of Palliative Care into Comprehensive Cancer Care in Vietnam: Development of a palliative home care team in Ho Chi Minh City, Vietnam*
- Oveys Mansuri (BWH Surgical Critical Care) - *Trauma Systems / Disaster Management and Emergency Preparedness Development in Saudi Arabia*
- Kuda Mutyambizi (PHS Dermatology) - *A feasibility study on the utility of a standard set of Images as a screening tool for Hansen's disease in Trinidad and Tobago*
- Joshua Rempell (PHS Emergency Ultrasound) - *Physicians Ultrasound in Rwanda Education Initiative (PURE)*
- Raquel Reyes (MGH Medicine-Pediatrics) - *MDR-TB in Ethiopia: Inpatient Treatment, Outpatient Treatment, and Barriers to Outpatient Adherence*
- Elizabeth Rogers (MGH Medicine-Pediatrics) - *Evaluating Maternal Mortality in Santo Domingo, DR: Quality of Care*
- Chris Selhorst (BWH Radiology) - *Breast imaging, with focus on ultrasound-guided breast biopsies, Rwanda*
- Mark Siedner (Fellow, PHS Infectious Diseases) - *Novel use of Cell Phone Text Messaging to Improve Communication of Critical Laboratory Results to Patients, Uganda*
- Hanni Stoklosa (PHS Emergency Medicine) - *Post-Natural Disaster Human Trafficking Prevention in Thailand - Feasibility*

Study

- Leana S. Wen (PHS Emergency Medicine) - *Evaluation of Africa's First Post-Graduate Emergency Medicine Training Program at the University of Cape Town and Stellenbosch University*

AY09-10

- Aima Ahonkhai (Fellow, PHS Infectious Disease) - *Identifying and validating quality indicators for the care of HIV in South Africa*
- Kendra Bowman (Resident, MGH General Surgery) - *Surgery and surgical disease in Zambia: The cost effectiveness of reconstructive surgery*
- Kyle Eberlin (Resident, BWH Plastic Surgery) - *Global Smile Foundation: Surgical cleft mission, Bamako Mali (October 2009)*
- Mark Foran (Resident, PHS Emergency Medicine) - *After Action Review (AAR) of Humanitarian Roving Field Team Deployment to Humanitarian Emergency, Columbia, Sri Lanka (October 2009)*
- Lipika Goyal (Resident, BWH Internal Medicine) - *Oncology Rotation in All India Institute of Medical Sciences in Delhi, India (December 2009-January 2010)*
- Russell Horwitz, (Resident, Psychiatry) - *Traditional healer diagnostic criteria and treatment modalities for depression among patients living in southwestern Uganda*
- Emily Hyle (Fellow, PHS Infectious Disease) - *Exploration of clinical research sites for HIV outcomes research in Uganda and South Africa*
- Karen Jacobson (Fellow, PHS Infectious Disease) - *Training in techniques of molecular epidemiology to study drug resistant tuberculosis in a region endemic to the disease in Cape Town, SA*
- Calvin Lee (Resident, MGH Internal Medicine) - *Medical Education and Clinical Instruction at Cambodia's International University*
- Folasade May (Resident, MGH Internal Medicine) - *Hepatitis C induced Steatosis in Pakistan*
- Gita Mody (Resident, BWH Surgery) - *Wound Care in Low Resource Settings, Rwanda (June 2010)*
- Brian Nahed (Resident, Neurosurgery) - *Scaling-up Neurosurgical capacity at Mbarara University of Science and Technology*
- Helen Ouyang (Resident, PHS Emergency Medicine) - *Liberia*
- Christine Pace (Resident, BWH Internal Medicine) - *Addressing mental health needs in a medical setting in rural Rwanda, Partners in Health site in Rwinkwavu, Rwanda, (Feb-March 2010)*
- Elizabeth Pinsky (Resident, MGH Psychiatry) - *Siem Reap, Phnom Penh, Cambodia*
- Thanh Nga Tran (Fellow, PHS Dermatology) - *Establishment of a vascular anomalies clinic in Ho Chi Minh City, Vietnam*
- Raj Vyas (Resident, BWH Plastic Surgery) - *Surgical Cleft Mission, El Salvador*
