**PRIMARY SOURCE VERIFICATION STATEMENT:** Verification service provides data extracted by the LSBME from its own database. The data in this web site is provided by and controlled entirely by the LSBME and therefore constitutes a primary source verification as authentic as a direct inquiry to the LSBME. The information provided through the verification service is all of the information pertinent and available in that field of information in the LSBME database.

**DISCLAIMER:** The physician's specialty certification information in the LSBME database is updated periodically with data provided by the physician. As it is not a requirement for licensure, it is not primary source verified. Due to the possibility of reporting and processing errors, the accuracy and completeness of records cannot be guaranteed. The LSBME cannot be held responsible for incomplete or inaccurate information in each physician's record. Visitors assume sole responsibility for any decisions made based upon this information. If you require authentication of the specialty certification information, contact the respective specialty board directly.
