### OVERVIEW

### LOCATIONS

### EDUCATION

## Biography

Elizabeth Ann Micks, M.D., M.P.H. joined the UW faculty in 2012. She is currently an Assistant Professor in the Department of Obstetrics and Gynecology.

Dr. Micks graduated from Stanford with a degree in linguistics, and then went to medical school at Jefferson Medical College in Philadelphia. She received a Master of Public Health degree and completed the Fellowship in Family Planning at Oregon Health & Science University in 2012. She is board certified in obstetrics and gynecology and provides care as a specialist in family planning and contraception.

Dr. Micks' clinical interests include family planning, contraception and management of abnormal and unintended pregnancy for medically complex patients. Her goals are to provide excellent reproductive health care and to provide the most accurate and up-to-date information to enable her patients to make the best decisions.

## Personal Interests

Dr. Micks enjoys hiking, backpacking, snowboarding and wine tasting.
