Information

Fees

AAC members \$365; non-members \$430; reduced fee of \$220 for residents, fellows-in-training, physician assistants, nurses, and technologists if accompanied by statement from applicant's Department Head regarding status. Registration fee includes coffee and refreshment breaks, complimentary wine tasting, and syllabus for registrants only. Application should be received no later than August 14. After this date, on-site registration only.

Cancellations

Full refund will be given provided that written cancellation is received 30 days prior to the opening date of the program. A processing fee of \$50 will be charged for all cancellations received after this time. Fees will not be refunded for no-shows.

In the unlikely event that a program is cancelled, the College is responsible only for full refund of the registration fee and not for transportation or hotel accommodations.

Credit

The American College of Cardiology is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The American College of Cardiology designates this continuing medical education activity for 14.5 credit hours in Category 1 of the Physician's Recognition Award of the American Medical Association.

This program has been reviewed and is acceptable for 14.5 Prescribed hours by the American Academy of Family Physicians. While offering CME credit hours noted above, the program is not intended to provide extensive training or certification in the field.

Lodging

A block of rooms has been reserved at the Jackson Lake Lodge. More rustic accommodations are available through the Grand Teton Lodge Co. at Colter Bay Village (five miles north of Jackson Lake Lodge). Those enrolling in advance will receive a hotel reservation form with the acknowledgment of enrollment. Since a limited number of rooms is available, early registration for the program is recommended. Registrants are responsible for making hotel reservations. Reservations for lodging must be made by July 26. We strongly urge you to make your reservations as soon as possible.

We encourage participation by all individuals. If you have a disability, advance notification of any special needs will help us better serve you.

Special Air Fares

Information regarding special air fares will be sent to all registrants with the acknowledgment of enrollment. Make your airline reservations early.

Please Note: The American College of Cardiology is not affiliated with the American College of Physicians.
