Re: LeRoy H. Carhart, M.D.
License # D71127
Case No. 2011-0461

Dear Ms. Saville:

The Board of Physicians (the "Board") received your complaint regarding your concerns about licensure misrepresentation by the above-mentioned physician on his application for licensure in Maryland and allegations of possible violations of the standard of care in other states.

Your inquiry prompted the Board to conduct a full investigation. The Board's investigation included your complaint and other material contained in the Board record. Following a careful review of the matter, the Board voted to resolve this case by issuing an Advisory Letter to the above-mentioned physician. An advisory letter is used to inform, educate or admonish a health care provider. However, an advisory letter is not a public document.

The Board appreciates your taking the time to bring to its attention your concerns regarding Dr. Carhart. If you have any questions, please call Ronald Sherrill, Compliance Analyst, at 410-764-4765.

Sincerely,

John T. Papavasiliou
Deputy Director
