To Whom It May Concern:

Your email of February 13, 2011 addressed to the Department, has been forwarded to me. In accordance with the Michigan Freedom of Information Act (FOIA), 1976 PA 442, as amended, please be advised that your request is granted in part and denied in part.

Enclosed please find a copy of the Department's licensure file regarding Stacey Morgan Goldfine, D.O. Be advised that personal information, such as home telephone number, email address, date of birth, academic or examination grades, have been redacted on the grounds that release would constitute a clearly unwarranted invasion of the personal privacy of the licensee. An exemption from release of this information is hereby claimed under section 13(1)(a) of the FOIA. I have also redacted the licensee's social security number; an exemption from release is hereby claimed under section 13(1)(w) of the FOIA.

Further, please be advised that a search of the disciplinary records maintained by this Bureau reveals that there are no allegations, formal complaints or disciplinary actions on file regarding Dr. Goldfine.

Pursuant to section 10 of the FOIA, you may submit a written appeal of these claimed exemptions to Olga Dazzo, Director, Department of Community Health, 201 Townsend Street, Capitol View Building, 7th Floor, Lansing, Michigan 48913. This written request must specifically state the word "appeal" and identify the reason(s) for reversal of the denial. Alternatively, you may seek judicial review, including reasonable attorney fees, costs, disbursements, and damages if deemed appropriate, in circuit court within 180 days after a public body's final determination to deny the request.
