Public Record Action(s):

Please select the Public Record Documents tab to view the public document database. If information is posted in the Administrative Disciplinary Actions, Court Order, Administrative Citation Issued, or License Issued with Public Letter of Reprimand categories below, documents may be available for review. To find out what information is and is not available, please click here.

Administrative Disciplinary Actions:

The Medical Board's public disclosure screens are updated periodically as new information becomes available. Please contact the Central File Room at (916) 263-2525 or at 2005 Evergreen Street, Suite 1200, Sacramento, CA 95815, to obtain a copy of public documents at a

No Administrative Disciplinary Actions found.

Court Order:

This information would be provided if a physician's practice has been temporarily restricted or suspended pursuant to a court order. Please contact the Central File Room at (916) 263-2525 or at 2005 Evergreen Street, Suite 1200, Sacramento, CA 95815, to obtain a copy of the public documents.

No Court Orders found.

Administrative Action Taken by Other State or Federal Government:

This information is provided by another state/federal government agency. The Medical Board of California may take administrative action based on the action imposed by another state/federal government agency. For more information or verification, contact the agency listed below that imposed the action.

No Administrative Actions Taken by Other State or Federal Government found.

Felony Conviction:

The information provided only includes felony convictions that are known to the Board. All felony convictions known to the Board are reviewed and administrative action is taken only if it is determined that a violation of the Medical Practice Act occurred. For more information regarding felony convictions, contact the court of jurisdiction listed below.

No Felony Convictions found.

Misdemeanor Conviction:

California Business and Professions Code section 2027 (A)(7) states effective 1/1/07, any misdemeanor conviction that results in a disciplinary action or an accusation that is not subsequently withdrawn or dismissed shall be posted on the Internet. To see if a conviction has been expunged or dismissed, please contact the court below.

No Misdemeanor Convictions found.

Administrative Citation Issued:

A citation and/or fine has been issued for a minor violation of the law. This is not considered disciplinary action under California law but is an administrative action. Payment of the fine amount represents satisfactory resolution of this matter.

No Administrative Citations found.

License Issued with Public Letter of Reprimand:

The Medical Board of California has concurrently issued the applicant a medical license and a Public Letter of Reprimand for a minor violation that does not require probationary status or warrant denial. The issuance of a Public Letter of Reprimand is not considered disciplinary action and is not reported to the National Practitioner Databank or the Federation of State Medical Boards.

No License Issued with Public Letter of Reprimand found.

Hospital Disciplinary Action:

The action taken by this healthcare facility against this physician's staff privileges to provide health care services at this facility was for a medical disciplinary cause or reason. The Medical Board is authorized by law to disclose only revocations and terminations of staff privileges. The Medical Board is prohibited from releasing a copy of the actual report or any other information.

No Hospital Disciplinary Actions found.

Malpractice Judgment:

A malpractice judgment is a payment for damages and does not necessarily reflect that the physician's medical competence is below the standard of care. The Medical Board reviews all such reported judgments and action is taken only if it is determined that a violation of the Medical Practice Act occurred. The Medical Board is prohibited by law from releasing a copy of the judgment report or any other information concerning the judgment. For more information contact the court of jurisdiction listed below.

No Malpractice Judgments found.

Arbitration Award:

An arbitration award is a payment for damages and does not necessarily reflect that the physician's medical competence is below the standard of care. The Medical Board reviews all such reported arbitration awards and action is taken only if it is determined that a violation of the Medical Practice Act occurred. The Medical Board is prohibited by law from releasing a copy of the arbitration award report or any other information concerning the award.

No Arbitration Awards found.

Malpractice Settlements:

A settlement entered into by the licensee is a resolution of a claim for damages for death or personal injury caused by the licensee's negligence, error, or omission in practice, or by his or her rendering of unauthorized professional services. The Medical Board is required by law to disclose certain information related to the existence of multiple settlements made on or after January 1, 2003 in an amount of \$30,000 or more.

No Malpractice Settlements found.

Note: "No information available from this agency" may not indicate none exists; but indicates no information has been reported to the Medical Board of California and/or that the Board is unable to post the information on the Web site by law.
