Include the name, current mailing address, and telephone number of each person who treated you, as well as each facility where you received treatment, and the reason for treatment. Have each treating physician submit a letter detailing the dates of treatment, diagnosis and prognosis. | 口 | $\square^{\prime}$ |

For purposes of questions 23 and 24 the following phrases or words have the following meaning:
"Ability to practice medicine" is to be construed to include all of the following:

1. The cognitive capacity to make appropriate clinical diagnoses and exercise reasoned medical judgments and to learn and keep abreast of medical developments; and
2. The ability to communicate those judgments and medical information to patients and other health care providers, with or without the use of aids or devices, such as voice amplifiers; and
3. The physical capability to perform medical tasks such as physical examination and surgical procedures, with or without the use of aids or devices, such as corrective lenses or hearing aids.
"Medical condition" includes physiological, mental, or psychological conditions or disorders, such as but not limited to orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional or mental illness, specific learning disabilities, HIV disease, tuberculosis, drug addiction, and alcoholism.
4. 

Do you have, or have you been diagnosed as having, a medical condition which in any way impairs or limits your ability to practice medicine with reasonable skill and safety? You may answer "NO" to this question if you hold a current training certificate to pursue training in Ohio and the only such medical condition is chemical dependency or substance abuse, and you have successfully completed or are currently receiving treatment at a program approved by this board and have adhered to all statutory requirements as contained in Sections 4731.224 and 4731.25, O.R.C., and related provisions. Any questions concerning approval can be directed to the board offices.
a) Are the limitations or impairment caused by your medical condition reduced or ameliorated because you receive ongoing treatment or received treatment in the past (with or without medication) or participate in a monitoring program?

If you receive such ongoing treatment or participate in such monitoring program the board will make an individualized assessment of the nature, severity, and duration of the risk associated with an ongoing medical condition so as to determine whether an unrestricted license should be issued, whether conditions should be imposed, or whether you are not eligible for licensure. Have each treating physician submit a letter detailing the dates of treatment, diagnosis and prognosis.
b) Are the limitation or impairments caused by your medical condition reduced or ameliorated because of the field of practice, the setting, or the manner in which you have chosen to practice?

| YES | NO |

## MEDICINE OR OSTEOPATAHIC MEDICINE ADDITIONAL INFORMATION - PAGE 4

"Chemical substances" is to be construed to include alcohol, drugs, or medications including those taken pursuant to a valid prescription for legitimate medical purposes and in accordance with the prescribers direction, as well as those used illegally.
24. Do you use chemical substance(s) which in any way impair or limit your ability to practice medicine with reasonable skill and safety?
a) Are the limitations or impairment caused by your use of chemical substances reduced or ameliorated because you receive ongoing treatment (with or without medication) or participate in a monitoring program?

If you receive such ongoing treatment or participate in such monitoring program the board will make an individualized assessment of the nature, severity, and duration of the risk associated with an ongoing medical condition so as to determine whether an unrestricted license should be issued, whether conditions should be imposed, or whether you are not eligible for licensure. Have each treating physician submit a letter detailing the dates of treatment, diagnosis and prognosis.
b) Are the limitation or impairments caused by your use of chemical substances reduced or ameliorated because of the field of practice, the setting, or the manner in which you have chosen to practice?

For purposes of question 25 the following phrases or words have the following meaning:
"Currently" does not mean on the day of, or even in the weeks or months preceding the completion of this application. Rather it means recently enough so that the use of drugs may have an ongoing impact on one's functioning as a licensee, or within the past two years.
"illegal use of controlled substances" means the use of controlled substances obtained illegally (e.g. heroin or cocaine) as well as the use of controlled substances which are not obtained pursuant to a valid prescription or not taken in accordance with the direction of a licensed healthcare practitioner.

| 25. | Are you currently engaged in the illegal use of controlled substances? | YES | NO |
| :---: | :---: | :---: | :---: |
|  | $\square$ | $\square$ |  |
|  | a)If "YES," are you currently participating in a supervised rehabilitation program <br> or professional assistance program which monitors you in order to assure <br> that you are not using illegal controlled substances. $\bar{\square}$ |  |  |

## Dear Program Director:

This letter is written on behalf of Sharon A. Wood, a Year IV student from the Kalamazoo Campus of the College of Human Medicine at Michigan State University, who is applying for a residency position at your institution. This letter is divided into four major sections: premedical, preclinical, clinical, and student summary.

## Premedical Background

Prior to enrolling in the College of Human Medicine, Sharon earned a Bachelor of Science degree in Medical Technology from Michigan State University in 1997. She was on the Dean's List for four years, received the Outstanding Senior Award, and was a member of Golden Key National Honor Society. Sharon participated in a research experience in the Department of Food Science and Human Nutrition.

While an undergraduate, she was a board member and served as President of the Medical Technology Student Association; was active in the MSU band, as well as a local community band; and did volunteer work for the Lansing Area AIDS Network Holiday Gift Project. Sharon worked as a lab assistant in Vitamin A and gene toxicology, and was a care giver for the developmentally disabled.

Sharon was admitted to the College of Human Medicine in the Fall of 1997.

## Preclinical Education

Sharon successfully completed the preclinical curriculum, comprised of Block I (traditional lecture/laboratory format) in the first year and Block II (problem based, small group format) in the second year. She received letters of commendation for academic excellence in Genetics, Pharmacology, Microbiology, Anatomy, Physiology, Radiology, and Biochemistry.

While a preclinical student, Sharon was active in volunteer work at several area clinics; and was a member of a number of student organizations, including the Family Medicine Interest Group, Medical Students for Choice, and the Health Care Reform Group.

Sharon A. Wood

During Summer Semester of 1999, Sharon progressed to the Kalamazoo Campus of the College of Human Medicine (i.e., MSU/KCMS) to complete her clinical training.

## Clinical Evaluation

Sharon has successfully completed all required clerkships taken to date (performance data follows). Prior to receiving her M.D. degree, she is scheduled to complete additional rotations in Dermatology, Advanced Medicine, Family Planning, Sports Medicine, and Senior Surgery at MSU/KCMS; Infectious Disease at the University of Washington; and Anesthesiology at Oregon Health Sciences University.

Representative comments (in clerkship chronological order) from her preceptors include the following:

Clinical Medicine in the Community - This required four week introductory clerkship serves as a transitional experience between the classroom based and clinical settings. "Friendly, prompt, asks appropriate questions. Seems mature at this stage of her education." Clerkship Coordinator - "Sharon progressed very well during the clerkship. She was always well prepared. Final grade is 'Pass'."

Core Competency Seminar Series - All Year III students must attend a weekly seminar which focuses on Basic Science, Cost/Value DecisionMaking, Critical Analysis, Ethics, Minority Health, Occupational Medicine, and Palliative Care. Sharon successfully completed all course requirements and received a passing grade.

Pediatric Clerkship - "A very good student. Very teachable." "Sharon was actively engaged in learning and tried to be involved with the patients assigned to her. Established good rapport and attentively worked on physical diagnostic skills. A pleasure to work with. Inquisitive. Asked well thought out questions, anxious to learn." "Knowledge base appropriate for level of training." Clerkship Coordinator - "Sharon was very comfortable in the clinical setting. A good effort overall. Final grade is 'Pass'."

Family Practice Clerkship - "I found Sharon to be prompt and polite. She related well to patients and exhibited good knowledge and skills for her level of training." Clerkship Coordinator - "Sharon actively
participated in all aspects of the rotation. She did an excellent job with her write-ups. My overall assessment is rated 7 on a scale of 9 . Final grade is 'Pass'."

Internal Medicine - "A very good student. Will make a great doctor." "Inquisitive, hardworking, and personable." "Sharon is a very good student and will make an excellent primary care physician." Clerkship Coordinator - "Ms. Wood clearly met all the requirements of the clerkship and receives a final grade of 'Pass'."

Surgery Clerkship - "Good fund of knowledge. Good attitude and enthusiasm. Skills appropriate to level of training. Good interaction with patients. Above average student with good potential." "Shows a true commitment to and interest in learning. She asks pertinent and appropriate questions. She shows a broad knowledge base and is thorough in following up on patient care plans and intervention." "An excellent student. Took initiative, improved data base throughout rotation and was able to transfer basic information into clinical practice." Clerkship Coordinator - "Bright and aggressive. Self motivated to learn and gain experience. Did a good job. Received honors for her clinical performance. Final grade is 'Pass'."

Obstetrics/Gynecology Clerkship - "Good student, good performance. Excellent background in scielce." "Very easy to work with. She communicates well." Clerkship Coordinator - "Sharon passed the written and oral exams without difficulty. She achieved an Honors performance in the clinical portion of the clerkship. Sharon's preceptors indicated that she performed very capably in the service. I am sure that she will make an excellent physician. Final grade is 'Pass'."

Psychiatry Clerkship - HONORS - "Excellent aptitude with empathy and self disclosure. Student is in top $10 \%$ for participation in partial hospitalization." Clerkship Coordinator - "Sharon did quite well . Two preceptors nominated her for honors. Her comprehensive case study was rated as outstanding, she scored at the honors level on the final written exam and receives a final grade for the clerkship of 'Honors'."

## Student Summary

Sharon has done an excellent job throughout medical school. She received letters of commendation for superior performance in seven preclinical courses,

Sharon A. Wood
Page 4
and an "Honors" grade in the Psychiatry Clerkship. Sharon's preceptors have consistently praised her knowledge base, clinical skills, and compassion. Sharon is enthusiastic, articulate, hardworking, reliable and appropriately confident. She possesses all of the qualities necessary to be a successful resident. Her performance during Year III indicates that she will be a real asset to any program.

During the past year, Sharon has done volunteer work at the MSU/KCMS Migrant Clinic (a clinic staffed by our medical students, residents and faculty). She also was chosen to serve as a member of the Kalamazoo Campus Student Information Group. As a member of this group she provided campus information and tours to Year I CHM students.

The College of Human Medicine at Michigan State University uses the following designations - Outstanding, Excellent, Very Good, Good, and Marginal - to describe our students. Sharon A. Wood is recommended to you as a VERY GOOD candidate for residency training.

Sincerely,

## MICHIGAN STATE UNIVERSITY COLLEGE OF HUMAN MEDICINE Dean's Letter Attachment

## Overview

Michigan State University's College of Human Medicine is a four-year, communityoriented medical school with the resources of one of the nation's largest land-grant universities at its disposal. Since CHM's founding in the mid-1960's, it has maintained a pioneering role in problem-based, community-integrated medical education.

Reflecting this orientation, our curriculum is divided into three blocks. The preclinical portion of the curriculum is comprised of a traditional lecture/laboratory format in the first year (Block I) and a problem-based, small group learning format in the second year (Block II). The clinical portion of the curriculum is conducted within one of six community campuses - Flint, Grand Rapids, Kalamazoo, Lansing, Saginaw, or the Upper Peninsula. Students are assigned to one of these community campuses where they complete their clinical education. The College graduates approximately 100 students each year.

## Academic Assessment

Our medical school uses a Pass/No Pass (P/N) grading system within Blocks I and II and an Honors/Pass/No Pass (H/P/N) grading system within Block III. Please note that the official MSU transcript does NOT list Honor grades received. This information is communicated to you via the Dean's letter.

Professionalism is routinely assessed during all four years of the curriculum. These assessments are incorporated into each student's grade. A Pass (P) grade therefore indicates that the student has mastered the academic content and has demonstrated professionalism throughout the class or clerkship. A No Pass (N) grade can occur for classic academic reasons or for reasons of unprofessional behavior.

A Conditional Pass (CP) is given when the instructor believes the student's deficiency is specific and remediable and does not warrant repeating the entire clerkship. The CP remains on the transcript, becoming a Conditional Pass (CP/P) upon successful remediation or a Conditional Pass/No Pass (CP/N) if remediation requirements are not met.

Superior performance is recognized through the use of letters of commendation during the preclinical years and by the designation of Honors within the required clinical clerkships. Achievement is also recognized through acceptance into Alpha Omega Alpha (AOA) honor society. Approximately $16 \%$ of each graduating class are awarded membership in AOA during their senior year.

## United States Medical Licensing Examination (USMLE)

Students are required to pass Step I of the USMLE for promotion into the clinical portion of the curriculum, and to pass Step II as a graduation requirement.

## Performance Designations

The Community Campuses are asked to summarize each student's overall performance and assign a rating based on set criteria. These criteria are summarized below. The percentage of students receiving these designations is also listed.

Outstanding: Given to outstanding students who have distinguished themselves both academically and professionally. Received Honors in four or more of our required clerkships, with no CP or N grades.

Excellent: Given to highly competitive students generally in the upper third of their class who have consistently excelled academically and professionally. Received Honors in two or more of our required clerkships, with not more than one CP grade and no N grades.

Very Good: Given to students who have performed competently and professionally and who we anticipate will continue to perform very well in postgraduate education. Passed all required clerkships, with no more than one CP and no N grades.

Good: Given to students who have had some academic or non-academic difficulty but who have successfully remediated the difficulties. We believe that students in this category will perform well in postgraduate training. Passed all required clerkships, with no more than two CP grades and no more than one N grade.

Marginal: Given to students who have had difficulties and who may continue to have similar problems in postgraduate training. Expected to fulfill all graduation requirements.

| Class of 2001 Ratings | \% | Class of 2000 Ratings | \% |
| :--- | :--- | :--- | :--- |
|  | Outstanding | Outstanding | $14 \%$ |
| Excellent | $23 \%$ | Excellent | $16 \%$ |
| Very Good | $51 \%$ | Very Good | $64 \%$ |

## Authenticity of USMLE Transcripts

An original, certified transcript of United States Medical Licensing Examination scores is printed using black ink on blue safety paper and is produced only by the Educational Commission for Foreign Medical Graduates, Federation of State Medical Boards, or National Board of Medical Examiners. The TamperSafe ${ }^{\ominus}$ Hologram in the lower left corner certifies the authenticity of this document. Alteration or forgery of a USMLE transcript may result in appropriate legal action and/or a determination of irregular behavior, as described below.

To Test for Authenticity: Touch, rub or breathe on TouchSafe* Fingerprint and the word VALID will appeat. When liquid bleach is applied to the face of the document, the paper will turn brown. Also, when photocopied, a security statement containing the words UNOFFICIAL COPY, NOT AN ORIGINAL DOCUMENT, will appear prominently across the face of the entire document:

## INTERPRETATION OF SCORES

USMLE transcripts include a complete score history and notations of any examinations for which the examinee sat and no scores were reported, such as "Incomplete" or "Indeterminate." Scores are reported on two different scales. For each Step, the mean and standard deviation of scores on the three-digit scale for the original anchor group of first-time examinees from medical schools in the United States was 200 and 20, respectively. Most scores fall between 145 and 260. An equivalent value score on a two-digit scale is also provided. A score of 75 on the two-digit vale is the recommended minimum passing score. The nmended minimum passing score on each scale is shown on ont of the transcript next to the examinee's score for each ation administration. The level of proficiency required to e recommended minimum passing level for each USMLE reviewed periodically and is subject to change.

SFors which influence an examinee's score include the raminee's general understanding of the subject matter being tested and the specific set of test items used for an administration. The Standard Error of Measurement (SEM) provides an index of the variation in scores that would be expected to occur if an examinee were tested repeatedly using different sets of items covering similar content. The SEM for a USMLE score is usually in the range of 4 to 8 score points on the three-digit scale and 1 to 2 score points on the two-digit scale.

## ANNOTATIONS APPEARING UNDER "COMMENTS"

Circumstances in connection with an administration shown on this transcript may result in one or more annotations listed next to the score. A description of each "Comment" is provided below:

Indeterminate - Results that cannot be certified as representing a valid measure of the examinee's knowledge or competence as sampled by the examination. Decisions to classify results as indeterminate may be made on the basis of factors that include, but are not limited to, unexplained inconsistency of performance within the examination or between administrations of the same Step. No score is reported. Information regarding the nature of the indeterminate score and the determination of the Committee on Score Validity is available. If such information is not enclosed with this transcript, it may be obtaind dyy gontacting the organization from which you received thd franscript or the USMLE Secretariat, 3750 Market Street, philadelphia, PA 19104, telephone (215) 590-9700.

Incomplete - The examinee sat for some, but not all, of the scheduled examination. No score is reported.

Irregular Behavior - The Committee on Irregular Behavior determined that the examinee engaged in irregular behavior. Examples of irregular behavior are described in the current edition of the USMLE Bulletin of Information. Information regarding the nature of the irregular behavior and the determination of the Committee is available. If such information is not enclosed with this transcript, it may be obtained by contacting the organization from which you received the transcript or the USMLE Secretariat, 3750 Market Street, Philadelphia, PA 19104, telephone (215) 590-9700.

Score Not Available - The score is not available. Further review and/or analysis may be pending, or it may have been determined that the score cannot be reported.

Test Accommodations - Following review and approval of a request from the examinee, test accommodations were provided in the administration of the examination.

## ANNOTATIONS APPEARING AS "NOTE"

Circumstances not in connection with an administration shown on this transcript may result in one or more annotations and an explanation or instructions to contact the appropriate individual or organization. The "Note" will appear at the end of the document.

## BOARD ACTION DATA BANK INFORMATION APPEARING AS "NOTE"

The Board Action Data Bank of the Federation of State Medical Boards (FSMB) contains actions reported to the FSMB by U.S. licensing and disciplinary boards, Canadian licensing authorities, the U.S. Armed Forces, the U.S. Department of Health and Human Services, and other credentialing entities. To be included in the Bank, an action must be a matter of public record or be legally releasable to state medical boards or other entities with recognized authority to review physician credentials. Certain actions reported to and released by the Board Action Data Bank are not disciplinary or otherwise prejudicial in nature. Such actions are reported to ensure that records are complete and to assist in preventing misrepresentation or the use of lost or stolen gredentials by unauthorized persons. Once reported to the FSMB, an action becomes part of the permanent record of the ifddividual physician, and the existence of such an action may be indicated on the USMLE transcript by a "Note".

## AFFIDAVIT AND RELEASE OF APPLICANT MEDICINE OR OSTEOPATHIC MEDICINE

The affidavit and release below MUST be completed by ALL applicants. The form must be notarized. Failure of any applicant to submit the affidavit completed and notarized with the application will result in your application being considered incomplete.

1, Sharon Ann Woud, hereby certify under oath that 1 am the person named in this application for a license to practice medicine or osteopathic medicine in the State of Ohio; that all statements I have or shall make with respect thereto are true; that I am the original and lawful possessor and person named in the various forms and credentials furnished or to be furnished to this Board with respect to my application; and that all documents, forms, or copies thereof furnished or to be furnished with respect to my application are strictly true in every respect.

I acknowledge that I have read the general information and instructions for all applicants and that I have answered all questions in compliance with these instructions and understand that the fee I submitted is neither refundable nor transferable.

I further state that by filing this application for a license to practice medicine or osteopathic medicine in the State of Ohio, I hereby authorize and consent to have an investigation made as to my moral character, professional reputation and fitness for a license to practice medicine or osteopathic medicine. I agree to give any further information which may be required in reference to my past record. I understand that I will not receive a copy of any reports or know their contents and I further understand that the contents of any investigative report will be privileged.

I further understand that my application for a license to practice medicine or osteopathic medicine in the State of Ohio is an ongoing process. I will immediately notify the State Medical Board of Ohio in writing of any changes to the answers to any of the questions contained in the ADDITIONAL INFORMATION section of the application if such a change occurs at any time prior to a license to practice medicine or osteopathic medicine being granted to me by the State Medical Board of Ohio. I further understand that failure to complete this application as requested by the Board within six months can be considered abandonment of any request for a license to practice medicine or osteopathic medicine and that any fee I submitted is neither refundable nor transferable.

I authorize and request every person, hospital, clinic, governmental agency (local, state, federal or foreign), court, association, institution, or law enforcement agency having control of any documents, records and other information pertaining to me to furnish to the State Medical Board of Ohio any such information, including documents, records regarding charges or complaints filed against me, formal or informal, pending or closed, or any other pertinent data and to permit the State Medical Board of Ohio or any of its agents or representatives to inspect and make copies of such documents, records, and other information in connection with this application, subsequent licensure or practice thereunder.

I hereby release, discharge, and exonerate the State Medical Board of Ohio, its agents or representatives and any person furnishing information of any and all liability of every nature and kind arising out of investigation made by the State Medical Board of Ohio. I authorize the State Medical Board of Ohio to release information, material, documents, orders or the like relating to me or to this application to any other governmental agency (local, state, federal or foreign); or to any hospital, nursing home, clinic, health maintenance organization or similar institution; or to any professional association.

I further understand that issuance of a centificate to practice medicine or osteopathic medicine in Ohio will be considered based on the truth of the statements and documents contained herein or to be furnished, which if false, can subject me to denial of said certificate.
