DIVISION OF HEALTH CARE FACILITIES & PROGRAMS

Mr. Bell:

I am returning a **physical license** as it was requested in your letter from March 7, 2012.

No surgical abortions or any other surgeries are being performed at any time at 4751 W. Touhy Avenue, Lincolnwood location, since after receiving a letter from the Department of Public Health on October 24, 2011.

On December 9, 2011, the new company has been formed and temporarily occupies this location. Temporarily, they have been using our old website but they plan to relocate and launch the new website very soon.

All of the advertisement that pertains to **surgical abortions has been removed** from this site (please check: womensaidclinic.com).

The Women's Aid Clinic **does not exist and does not have any assets or associated bank accounts.**

Sincerely,

Larisa Rozansky
