

LICENSE NO. C-7219

IN THE MATTER OF  
THE LICENSE OF  
BLANCHARD TUCKER HOLLINS, M.D.

BEFORE THE  
TEXAS MEDICAL BOARD

ORDER DENYING TERMINATION

On the 25 day of August, 2006 came on to be heard before the Texas Medical Board (the "Board"), duly in session, the matter of the license of Blanchard Tucker Hollins, M.D. ("Respondent").

On July 14, 2006, Respondent appeared in person, without counsel, before Representatives of the Board to petition the Board for termination of an Agreed Order ("Order") entered on June 3, 2005, pertaining to Respondent's Texas medical license No. C-7219, a copy of which is referred to and incorporated herein, and to address issues related to Respondent's compliance with the terms and conditions of the Order. Oscar San Miguel represented Board staff. The Board's Representatives were Keith Miller, M.D., a member of the Board, and Wendy Prater Dear, J.D., a member of the District Review Committee.

Upon the recommendation of the Board's Representatives, the Board makes the following Findings of Fact and Conclusions of Law and enters this Order.

FINDINGS OF FACT

The Board finds that:

A. Prior Disciplinary History:

1. Respondent is under a three year order. The order requires a chart monitor for prescribing fairly long courses of Xanax and Soma without referring to specialists and that after one year Respondent may request termination if monitor does not find any deficiencies.

B. Status of Compliance with current Order as of July 14, 2006:

1. Respondent has served one year of three year probation.

2. Respondent is in substantial compliance with the terms and conditions of the Order.

The monitor, based on two reports, found that:

- a. Respondent has made referrals of patients requiring antidepressant medications;
- b. Respondent has made referrals of patients with chronic pain;
- c. Respondent did not document enough information on follow up care on one patient chart and did not document the number of pain medication prescribed to one patient referred to a specialist.

C. Recommendation: Based on the above Findings of Facts and information available at the hearing on July 14, 2006, the Board's Representatives recommended that Respondent's petition for termination be denied.

#### CONCLUSIONS OF LAW

Based on the above Findings of Fact, the Board concludes that:

1. The Board has jurisdiction over this matter and Respondent pursuant to the Medical Practice Act, Title 3, Subtitle B, Texas Occupations Code (the "Act").
2. 22 TEX. ADMIN. CODE §187.43 authorizes the Board to consider petitions for Termination of Agreed Orders and Disciplinary Orders.

#### ORDER

Based on the available information, the above Findings of Fact and Conclusions of Law, and the recommendation of the Board's Representatives, the Board ORDERS that Respondent's petition for termination is hereby DENIED.

THIS ORDER IS A PUBLIC RECORD.

SIGNED AND ENTERED by the presiding officer of the Texas Medical Board on this  
25 day of August, 2006.

Larry Pinedo

Texas Medical Board

LICENSE NO. C-7219

IN THE MATTER OF  
THE COMPLAINT AGAINST  
BLANCHARD TUCKER HOLLINS, M.D.

BEFORE THE  
TEXAS STATE BOARD OF  
MEDICAL EXAMINERS

AGREED ORDER

On the 3 day of June, 2005, came on to be heard before the Texas State Board of Medical Examiners ("the Board"), duly in session, the matter of the license of Blanchard Tucker Hollins, M.D. ("Respondent").

On April 26, 2005, Respondent appeared in person, without counsel, at an Informal Show Compliance Proceeding and Settlement Conference in response to a letter of invitation from the staff of the Board. Karrie Key represented Board staff. The Board's representatives were Nancy Seliger, a member of the Board, and Leah R. Mabry, M.D., a member of the District Review Committee.

Upon the recommendation of the Board's representatives and with the consent of Respondent, the Board makes the following Findings of Fact and Conclusions of Law and enters this Agreed Order.

FINDINGS OF FACT

The Board finds that:

1. Respondent received all notice required by law. All jurisdictional requirements have been satisfied. Respondent waives any defect in notice and any further right to notice or hearing under TEX. OCC. CODE ANN. Title 3, Subtitle B (Vernon 2004) (the "Act") or the Rules of the Board.
2. Respondent currently holds Texas Medical License No. C-7219. Respondent was originally issued this license to practice medicine in Texas on August 16, 1958. Respondent is not licensed to practice in any other state.
3. Respondent is primarily engaged in the practice of obstetrics and gynecology.
4. Respondent is 75 years of age.
5. Respondent has not previously been the subject of disciplinary action by the Board.

6. For many years, Respondent has practiced medicine in a low-income community.
7. Respondent's patients face many challenges. Most of Respondent's patients are unable to obtain appointments with specialists, including psychiatrists.
8. A Board expert had no issues with Respondent's gynecology practice.
9. The expert did opine that Respondent's prescribing of fairly long courses of treatment with Xanax (for anxiety and depression) and Soma (for lower back pain), were not within the standard of care. The expert opined that the patients who received these medications should have been referred to specialists.
10. Respondent has cooperated in the investigation of the allegations related to this Agreed Order. Respondent's cooperation, through consent to this Agreed Order, pursuant to the provisions of Section 164.002 the Act, will save money and resources for the State of Texas. To avoid further investigation, hearings, and the expense and inconvenience of litigation, Respondent agrees to the entry of this Agreed Order and to comply with its terms and conditions.

#### CONCLUSIONS OF LAW

Based on the above Findings of Fact, the Board concludes that:

1. The Board has jurisdiction over the subject matter and Respondent pursuant to the Act.
2. Section 164.051(a)(6) of the Act authorizes the Board to take disciplinary action against Respondent based on Respondent's failure to practice medicine in an acceptable professional manner consistent with public health and welfare.
3. Section 164.001 of the Act authorizes the Board to impose a range of disciplinary actions against a person for violation of the Act or a Board rule. Such sanctions include: revocation, suspension, probation, public reprimand, limitation or restriction on practice, counseling or treatment, required educational or counseling programs, monitored practice, public service, and an administrative penalty.
4. Section 164.002(a) of the Act authorizes the Board to resolve and make a disposition of this matter through an Agreed Order.
5. Section 164.002(d) of the Act provides that this Agreed Order is a settlement agreement under the Texas Rules of Evidence for purposes of civil litigation.

## ORDER

Based on the above Findings of Fact and Conclusions of Law, the Board ORDERS that:

1. For three years, Respondent's practice shall be monitored by a physician ("monitor"), in accordance with §164.001(b)(7) of the Act. The Compliance Division of the Board shall designate the monitor and may change the monitor at any time for any reason. The monitor shall have expertise in a similar specialty area as Respondent. The Compliance Division shall provide a copy of this Order to the monitor, together with other information necessary to assist the monitor.

a. As requested by the Compliance Division, Respondent shall prepare and provide complete legible copies of selected patient medical and billing records ("selected records"). The Compliance Division shall select records for at least thirty patients seen by Respondent during each three-month period following the last day of the month of entry of this Order ("reporting period"). The Compliance Division may select records for more than thirty patients, up to ten percent of the patients seen during a reporting period.

b. The monitor shall perform the following duties:

- 1) Personally review the selected records;
- 2) Prepare written reports documenting any perceived deficiencies and any recommendations to improve Respondent's practice of medicine or assist in the ongoing monitoring process. Reports shall be submitted as requested by the Compliance Division; and
- 3) Perform any other duty that the Compliance Division determines will assist the effective monitoring of Respondent's practice.

c. The Compliance Division shall provide to Respondent a copy of any deficiencies or recommendations submitted by the monitor. Respondent shall implement the recommendations as directed by the Compliance Division.

d. The monitor shall be the agent of the Board, but shall be compensated by the Respondent through the Board. Such compensation and any costs incurred by the monitor shall be paid by Respondent to the Board and remitted by the Board to the monitor. Respondent shall not charge the compensation and costs paid to the monitor to any patients.

2. After one year, if the chart monitor does not find any deficiencies, Respondent may seek termination of this Order.

3. The time period of this Order shall be tolled if (a) Respondent subsequently, resides or practices outside the State of Texas, (b) Respondent's license is subsequently canceled for nonpayment of licensure fees, (c) Respondent ceases the practice of medicine in Texas or (d) this Order is stayed or enjoined by Court Order. If Respondent leaves Texas to live or practice elsewhere, Respondent shall immediately notify the Board in writing of the dates of Respondent's departure from and subsequent return to Texas. When the period of tolling ends, Respondent shall be required to comply with the terms of this Order for the period of time remaining on the Order. Respondent shall pay all fees for reinstatement or renewal of a license covering the period of tolling.

4. Respondent shall comply with all the provisions of the Act and other statutes regulating the Respondent's practice.

5. Respondent shall fully cooperate with the Board and the Board staff, including Board attorneys, investigators, compliance officers, consultants, and other employees or agents of the Board in any way involved in investigation, review, or monitoring associated with Respondent's compliance with this Order. Failure to fully cooperate shall constitute a violation of this order and a basis for disciplinary action against Respondent pursuant to the Act.

6. Respondent shall inform the Board in writing of any change of Respondent's mailing or practice address within ten days of the address change. This information shall be submitted to the Permits Department and the Director of Compliance for the Board. Failure to provide such information in a timely manner shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act.

7. Any violation of the terms, conditions, or requirements of this Order by Respondent shall constitute unprofessional conduct likely to deceive or defraud the public, and to injure the public, and shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act. Respondent agrees that ten days notice of a Probationer Show Compliance Proceeding to address any allegation of non-compliance of this Agreed Order is adequate and reasonable notice prior to the initiation of formal disciplinary action. Respondent waives all notice requirements under Section 164.003 of the Medical Practice Act related to informal proceedings, and Section 2001.054(c) of the Administrative Procedure Act.

8. The above-referenced conditions shall continue in full force and effect without opportunity for amendment, except for clear error in drafting, for 12 months following entry of

this Order. If, after the passage of the 12-month period, Respondent wishes to seek amendment or termination of these conditions, Respondent may petition the Board in writing. The Board may inquire into the request and may, in its sole discretion, grant or deny the petition without further appeal or review. Petitions for modifying or terminating may be filed only once a year thereafter.

RESPONDENT WAIVES ANY FURTHER HEARINGS OR APPEALS TO THE BOARD OR TO ANY COURT IN REGARD TO ALL TERMS AND CONDITIONS OF THIS AGREED ORDER. RESPONDENT AGREES THAT THIS IS A FINAL ORDER.

THIS ORDER IS A PUBLIC RECORD.

I, BLANCHARD TUCKER HOLLINS, M.D., HAVE READ AND UNDERSTAND THE FOREGOING AGREED ORDER. I UNDERSTAND THAT BY SIGNING, I WAIVE CERTAIN RIGHTS. I SIGN IT VOLUNTARILY. I UNDERSTAND THIS AGREED ORDER CONTAINS THE ENTIRE AGREEMENT AND THERE IS NO OTHER AGREEMENT OF ANY KIND, VERBAL, WRITTEN OR OTHERWISE.

DATED: May 16, 2005.
