Re: Iris E. Dominy, M.D.
Case No. 2013-0722
License No.: D30890

Dear Dr. Dominy and Counsel:

On May 29, 2013, the Board issued an **ORDER FOR SUMMARY SUSPENSION OF LICENSE TO PRACTICE MEDICINE** in this case. Dr. Dominy was given an opportunity to attend a hearing to show cause why that suspension should not be continued on August 28, 2013. Dr. Dominy attended the hearing on that date together with her counsel, Kevin A. Dunne, Esq. The State was represented by Robert J. Gilbert, Assistant Attorney General, Administrative Prosecutor. Both parties presented oral arguments at the show cause hearing.

After considering the presentations at the hearing, the Board determined that it would lift the summary suspension imposed on May 29, 2013. Dr. Dominy, however, is prohibited from performing any procedures that require Dr. Dominy to administer sedation to patients. COMAR 10.32.02.09 H (4). With the imposition of that condition, the Board concludes that there is no imminent danger to public health and safety posed by Dr. Dominy practicing medicine at this time. The **ORDER FOR SUMMARY SUSPENSION OF LICENSE TO PRACTICE MEDICINE** is therefore **VACATED**.

This letter constitutes an order of the Board resulting from formal disciplinary action and is therefore a public document.

Sincerely yours,
