ADMINISTRATIVE COMPLAINT

This complaint is brought against the medical license of Kathleen Glover, M.D. ("Respondent"), by the State of Indiana, by counsel, Deputy Attorneys General Darren R. Covington and Amanda R. Elizondo, on behalf of the Office of the Attorney General ("the Petitioner") and pursuant to Indiana code § 25-1-7-7 Ind. Code § 25-1-5-3, Ind. Code art. 25-22.5, the Administrative Orders and Procedures Act, Ind. Code ch. 4-21.5-3, and Ind. Code ch. 25-1-9, and in support alleges and states:

FACTS

1. Respondent's address on file with the Medical Licensing Board of Indiana is 2530 Sutton Road, Yellow Springs, Ohio 45387. Respondent is a licensed Doctor of Medicine, holding Indiana license number 01042939A issued July 28, 1994.

2. Respondent performed abortions at the Clinic for Women, located at 3607 West 16th Street, Suite B-2, Indianapolis, Indiana 46222.

3. Pursuant to Ind. Code § 16-34-2-5(b), all physicians performing abortions in Indiana must complete a Terminated Pregnancy Report ("TPR") for each abortion performed.

Pursuant to Ind. Code § 16-34-2-5(a), the TPR must include the following information:

- (1) The age of the woman who is aborted.
- (2) The place where the abortion is performed.
- (3) The full name and address of the physicians performing the abortion.
- (4) The name of the father if known.

- (5) The age of the father, or the approximate age of the father if the father's age is unknown.
- (6) The postfertilization age of the fetus, the manner in which the postfertilization age was determined, and, if after the earlier of the time the fetus obtains viability or the time the postfertilization age of the fetus is at least twenty (20) weeks, the medical reason for the abortion.
- (7) The medical procedure employed to administer the abortion . . .
- (8) The mother's obstetrical history, including dates of other abortions, if any.
- (9) The results of pathological examinations if performed.
- (10) Information as to whether the fetus was delivered alive.
- (11) Records of all maternal deaths occurring within the health facility where the abortion was performed.
- (12) The date of the pregnancy termination.
- (13) The date the form was received by the state department.

4. Pursuant to Ind. Code 16-34-2-5(b), the TPRs are to be completed and transmitted to the Indiana State Department of Health ("ISDH") by July 30 for all abortions performed between January 1 and June 30 of that year; and by January 30 for all abortions performed between July 1 and December 31 of the previous year.

5. A physician performing an abortion is separately required to certify the determination of the postfertilization age of the fetus on the TPR. Ind. Code § 16-34-2-2(a). To that end, a physician performing an abortion is required to question the patient concerning the date of fertilization. Ind. Code § 16-34-2-2(b)(1). This is primarily done by asking about the date of the patient's last menses.

6. The Clinic for Women submitted to the ISDH in June 2014 130 TPRs that Respondent completed.

7. The reports contained multiple failures to comply with the requirements of Ind. Code § 16-34-2-5. Among the errors and omissions discovered on the TPRs are the following:

- a. Respondent left blank the field which indicated whether the fetus was delivered alive 22 times (17% of the time) contrary to Ind. Code § 16-34-2-

5(a)(10), which required the Relator to indicate in the TPR “information as to whether the fetus was delivered alive.”¹

- b. Respondent left blank the type of termination procedure performed 26 times (20% of the time), contrary to Ind. Code §16-34-2-5(a)(7), which required the Relator to enter in the TPR the “medical procedure employed to administer the abortion.”²
- c. Respondent failed to record dates of prior terminations for patients who indicated they had prior abortions or miscarriages 60 times (46% of the time), contrary to Ind. Code § 16-34-2-5(a)(8) which required the Relator to enter in the TPR “the mother’s obstetrical history.”³
- d. Additionally, less than 8% of the time, Respondent failed to record one of the following: the date the abortion was performed; the number of living children; the number of deceased children; the number of spontaneous terminations; the number of induced terminations; whether a pathological examination was performed, and if so, the results; and the name or age of the father, contrary to Ind. Code § 16-34-2-5.⁴
- e. Respondent failed to record either the date of the patient’s last menses; the estimated gestation age; or the estimated post-fertilization age 14 times (11% of the time), contrary to Ind. Code § 16-34-2-2(b)(1) which requires a

² See Exhibit A, Column O

⁴ See Exhibit A, Columns F-I, M, N, T & U

physician performing an abortion to “question the patient concerning the date of fertilization.”⁵

8. Respondent failed to file all 130 TPRs within the time period required by law. 46 TPRs were filed 330 days late. 83 TPRs were filed 146 days late. 1 TPR did not record the date of the procedure.

9. Attached to this complaint as Exhibit A is a spreadsheet listing the 130 TPRs and identifying the deficiencies of each of the TPRs that Respondent submitted, each row of the spreadsheet summarizing one TPR and each column identifying one field of the form that Respondent was required to complete. Each cell of the spreadsheet indicates whether Respondent properly completed the field associated with that cell’s column, as indicated by an “✓” in the cell.

16. By her conduct, Respondent has violated Ind. Code § 25-1-9-4(a)(4)(A), as defined by 844 IAC 5-1-1(15), in that Respondent is unfit to practice due to professional incompetence as she continued to engage in a pattern of conduct which demonstrates an inability to exercise reasonable care and diligence as is normally exercised by practitioners in the same or similar circumstances in that she has failed to comply with the requirements of Ind. Code ch. 16-34-2.

WHEREFORE, Petitioner demands an order against Respondent, that:

1. Imposes the appropriate disciplinary sanction;
2. Directs Respondent to immediately pay all the costs incurred in the prosecution of this case;
