NATIONAL PROVIDER IDENTIFIER (NPI)

The primary purpose of the NPI is to uniquely identify health care providers as "health care providers" in HIPAA standard transactions. The NPI will replace all other identifiers assigned to health care providers, such as those assigned by health plans, government programs and health care purchasers for purposes of conducting these business transactions.
Under the final HIPAA NPI Rule, all individual and organization covered providers **will be required to obtain an NPI by May 23, 2007.**

In order for your license to be renewed you must take one of the following actions:

Option 1: Supply the Board of Registration in Medicine with your valid NPI. You can apply for an NPI directly by using the NPPES web site at www.NPPES.cms.hhs.gov.

Option 2: Certify you have personally applied for your NPI and you have not received it yet. Once you have received your NPI Number, you must notify the Board. Please complete the NPI form at the Board's web site at www.massmedboard.org.

Option 3: Certify another authorized institution has applied for an NPI on your behalf and you have not received it yet (supply institution's name). Once you have received your NPI Number, you must notify the Board by completing the NPI form at the Board's website (see Option 2).

Option 4: Authorize the Board of Registration in Medicine to apply for an NPI on your behalf.

Option 5: If your license status is INACTIVE, you may elect not to obtain an NPI number.

Check the appropriate box below, supply appropriate information, and sign the bottom of the page.

☐ My current NPI is: 1 1 1 4 9 9 9 7 8 6

☐ I have personally applied for an NPI. (You must provide your NPI number to the Board when received.)

☐ I have applied for an NPI using a third party (enter name): _____ (follow instructions for Option 3)

☐ By checking this option and signing the bottom of this page, I hereby authorize the Board to apply for an NPI on my behalf.

☐ As an *inactive* physician, I do not wish to obtain an NPI.

Dear Colleague:

As you may know, the Health Insurance Portability and Accountability Act (HIPAA) mandates the use of the National Practitioner Identifier (NPI), a unique identifier for health care providers. The NPI program is overseen by the Centers for Medicare and Medicaid Services (CMS) under the Department of Health and Human Services. Under the final HIPAA NPI rule, all individual and organization covered providers will be required to obtain a NPI by May 23, 2007. Without this number, you may be ineligible for reimbursement from federally-funded benefits programs. As a condition for renewal of your license, you must complete the NPI form on the attached page.

The Massachusetts Board of Registration in Medicine (Board) is assisting physicians to obtain their NPI numbers. In addition to providing this service for physicians, the Board is the designated repository for electronic storage and dissemination of the NPI number. By having your NPI in this central repository, we hope to reduce the amount of administrative duplication in your office.

Please follow the instructions on the NPI form on the back of this letter. If you already have a NPI number, you must enter it in the space provided. If you have not yet submitted an application for a NPI number, you may request that the Board apply for the NPI number on your behalf, or you must indicate that it is being requested by another entity. You must check one of the boxes regarding NPI and you must sign and date the form to authorize the Board to provide the NPI number to authorized entities, although this is not required. Should you need any assistance in completing the NPI form, please contact the NPI coordinator at (617) 654-9810.

I would also like to take this opportunity to thank you for your continued service to the citizens of the Commonwealth.

Sincerely,

Martin C. Crane MD

Martin C. Crane, M.D.

Dear Colleague:

As you may know, the Health Insurance Portability and Accountability Act (HIPAA) mandates the use of the National Practitioner Identifier (NPI), a unique identifier for health care providers. The NPI program is overseen by the Centers for Medicare and Medicaid Services (CMS) under the Department of Health and Human Services. Under the final HIPAA NPI rule, all individual and organization covered providers will be required to obtain a NPI by May 23, 2007. Without this number, you may be ineligible for reimbursement from federally-funded benefits programs. As a condition for renewal of your license, you must complete the NPI form on the attached page.

The Massachusetts Board of Registration in Medicine (Board) is assisting physicians to obtain their NPI numbers. In addition to providing this service for physicians, the Board is the designated repository for electronic storage and dissemination of the NPI number. By having your NPI in this central repository, we hope to reduce the amount of administrative duplication in your office.

Please follow the instructions on the NPI form. If you already have a NPI number, you may enter it in the space provided. If you have not yet submitted an application for a NPI number, you may request that the Board apply for the NPI number on your behalf. You must sign and date the NPI form to authorize the Board to provide the NPI to authorized entities. Should you need any assistance in completing the NPI form, please contact the NPI coordinator at (617) 654-9810.

I would also like to take this opportunity to thank you for your continued service to the citizens of the Commonwealth.

Sincerely,

Martin C. Crane, M.D.
Board Chair

Please complete the NPI form on the following page.

Massachusetts Physician Renewal Application

Physician Name: Rebecca Jackson, M.D. **License No.: 208092**

NATIONAL PROVIDER IDENTIFIER (NPI)

The primary purpose of the NPI is to uniquely identify health care providers as "health care providers" in HIPAA standard transactions. The NPI will replace all other identifiers assigned to health care providers, such as those assigned by health plans, government programs and health care purchasers for purposes of conducting these business transactions.
Under the final HIPAA NPI Rule, all individual and organization covered providers **will be required to obtain an NPI by May 23, 2007.**

In order for your license to be renewed you must take one of the following actions:

Option 1: Supply the Board of Registration in Medicine with your valid NPI. You can apply for an NPI directly by using the NPPES web site at www.NPPES.cms.hhs.gov.
Option 2: Certify you have personally applied for your NPI and you have not received it yet. Once you have received your NPI Number, you must notify the Board. Please complete the NPI form at the Board's web site at www.massmedboard.org.
Option 3: Certify another authorized institution has applied for an NPI on your behalf and you have not received it yet (supply institution's name). Once you have received your NPI Number, you must notify the Board by completing the NPI form at the Board's website (see Option 2).
Option 4: Authorize the Board of Registration in Medicine to apply for an NPI on your behalf.
Option 5: If your license status is INACTIVE, you may elect not to obtain an NPI number.
