STIPULATION AND AGREEMENT
AND ENFORCEMENT ORDER

COMES NOW, the Kansas State Board of Healing Arts ("Board") by and through Kevin K. LaChance, Disciplinary Counsel ("Petitioner"), and Leslie F. Page, D.O. ("Licensee"), by and through her attorney Thomas E. Wright, of Wright, Henson, Somers, Sebelius, Clark & Baker, Topeka, Kansas, and stipulate and agree as follows:

1. The Board is the sole and exclusive administrative agency in the State of Kansas authorized to regulate the practice of the healing arts, specifically the practice of osteopathic medicine and surgery. K.S.A. 65-2801 et seq; K.S.A. 65-2870. Licensee admits that this Stipulation and Agreement and Enforcement Order ("Stipulation") and the filing of such document are in accordance with the requirements of law; that the Board has jurisdiction to consider the Stipulation and is lawfully constituted to consider this matter to include consideration of this Stipulation. Licensee further notes that the Kansas Healing Arts Act is constitutional on its face and as applied in this case. Licensee further acknowledges that the Board, acting in this matter, is not acting beyond the jurisdiction referred to it by any provision of law.

2. Licensee is or has been entitled to engage in the practice of medicine and surgery in the State of Kansas, having been issued license number 05-20200 on August 1, 1983. At all times relevant to the allegations set forth below, Licensee has held a current license to engage in the

practice of medicine and surgery in the state of Kansas, having last renewed her license on May 23, 1995.

3. The Board has received information, has investigated such information, and has reasonable cause to believe that Licensee has committed certain acts in violation of the Healing Arts Act. K.S.A. 65-2801 et seq; K.S.A. 65-2836. Specifically, the allegations are detailed in the Petition to Revoke, Suspend, or Otherwise Limit Licensure filed April 24, 1996. The Board states it would present substantial evidence in an administrative hearing in support of its allegations. Licensee denies the allegations.

4. Such acts or conduct as set forth above could constitute grounds for disciplinary action by the Board pursuant to the cited provisions of the Healing Arts Act. Under the provisions of K.S.A. 65-2838(a), the Board has jurisdiction to impose appropriate discipline if a licensee to the Board has engaged in any commissions or omissions to bring licensee within the purview of K.S.A. 65-2836. Under the provisions of K.S.A. 65-2838(b), the Board has authority to enter into this Stipulation without the necessity of proceeding to a formal hearing. Licensee voluntarily and affirmatively waives her right to a hearing pertaining to any matter under the jurisdiction of the Board regarding her license to engage in the practice of osteopathic medicine and surgery. Licensee voluntarily and knowingly waives her right to present a defense by oral testimony and documentary evidence, to submit rebuttal evidence, to conduct such cross-examination of witnesses as may be desired and to waive any and all substantive and procedural motions and defenses that could be raised if an administrative hearing would be held.

The terms and conditions of the Stipulation are entered into between the undersigned parties and are submitted for the purpose of allowing these terms and conditions to become an Order of the Board. This Stipulation shall not be binding on the Board until an authorized signature is affixed at the end of this document. Upon signature by Licensee to this document,

it shall be deemed a unilateral contract and agreement and shall bind Licensee to the terms and conditions set forth in the Stipulation whether or not the Board's signature is affixed to the document. Licensee specifically acknowledges that counsel for the Board is not authorized to sign for nor bind the Board.

5. In consideration of the conditions, terms, covenants, and promises contained herein, the parties agree as follows:

a) In lieu of the continuation of formal proceedings and/or the making of findings by the Board, Licensee, by signature attached to this Stipulation, hereby voluntarily agrees to the following disciplinary measures placed on her license to engage in the practice of osteopathic medicine and surgery in the State of Kansas:

i) Licensee states she voluntarily elected to not practice obstetrics approximately three years previous to this Stipulation. She further states she has not practiced obstetrics in that time, and, in fact, has only engaged in non-obstetrical care. Licensee agrees to voluntarily continue not practicing obstetrics.

ii) Licensee agrees that, although she has no intention of ever again practicing obstetrics, she would not attempt to practice obstetrics without successfully completing an obstetrics training program specifically approved for her by the Board. The training program to be completed does not necessarily mean a residency, but may include another appropriate program to ensure Licensee's skills and knowledge in obstetrics are current.

iii) Licensee is hereby formally and publicly reprimanded.

b) The Petition to Revoke, Suspend or Otherwise Limit Licensure is hereby dismissed without prejudice.

c) Licensee's failure to comply with the provisions of the Stipulation will result in the Board taking disciplinary action as the Board

deems appropriate in compliance with the Kansas Administrative Procedure Act and/or the terms of this Stipulation.

d) Nothing in this agreement shall be construed to deny the Board jurisdiction to investigate alleged violations of the Healing Arts Act, or to investigate complaints received under the Risk Management Law, K.S.A. 65-4921 et seq, that are unknown and are not covered under the conditions of this Stipulation, or to initiate formal proceedings based upon known or unknown allegations of violations of the Healing Arts Act, including the information which provides the basis for this Stipulation.

e) This Stipulation constitutes the entire agreement between the parties and may only be modified and/or amended by a subsequent document executed in the same manner by the parties.

f) Licensee acknowledges that she has read this Stipulation and fully understands its contents. Licensee acknowledges that this Stipulation has been entered in freely and voluntarily given.

g) Licensee releases the Board, its employees and agents, from all claims to mean those damages, actions, liabilities and causes of actions, both administrative and civil, including the Kansas Act for Judicial Review and Civil Enforcement of Agency Actions; K.S.A. 77-601 et seq. This release shall discharge the Board of any and all claims or demands of every kind and nature that Licensee has claimed to have had at the time of this release or might have had, either known or unknown, suspected or unsuspected, and Licensee shall not commence to prosecute, cause or permit to be prosecuted, any action or proceeding of any description against the Board, its employees or agents, arising out of acts leading to the execution of this Stipulation and Agreement or the contents of this Stipulation and Agreement.

h) Licensee acknowledges that this document shall be deemed a public disciplinary record upon Licensee's signing this document and Board

acceptance of the terms of this document. Licensee further acknowledges this action is reportable to the National Practitioner Data Bank and the Federation of State Medical Boards and other reporting agencies.

i) Licensee authorizes Petitioner to present this Stipulation to the Board for its consideration and to fully disclose to and discuss with the Board the nature and results of the investigation, even if Licensee is not present.

6. All correspondence or communication between Licensee and the Board shall be by certified mail addressed to: Kansas State Board of Healing Arts, ATTENTION: Disciplinary Counsel, 235 S. Topeka Boulevard, Topeka, Kansas 66603-3068.

7. Licensee shall obey all federal, state, and local laws and rules governing the practice of osteopathic medicine and surgery in the State of Kansas that may be in place at the time of execution of the Stipulation and Agreement or may become effective subsequent to the execution of this document.

8. Licensee has an affirmative duty to notify the Board of changes in her personal professional status which would inhibit compliance with the above conditions in this Stipulation.

9. Upon execution of this Stipulation by the affixing of a Board authorized signature below, the provisions of this Stipulation shall become an Order of the Board and shall be deemed a proper and lawful Enforcement Order under K.S.A. 65-2838. This Stipulation shall constitute the Board's Order when filed with the Office of the Executive Director for the Board and no further Order is required.

IN WITNESS WHEREOF, the parties have executed this agreement on the

19th day of August, 1996.
