This online directory was developed as a reference source for Blue Cross Blue Shield of Arizona (BCBSAZ) members to easily find participating providers. While we make every effort to provide accurate data, the status of providers is subject to change at any time.

Prior to receiving services, you should always verify the provider you choose is still participating in the network and accepting new patients. In order to receive the highest level of benefits, check your schedule of benefits or call the Customer Service number on your id card.

This directory is for general information. BCBSAZ benefit plans vary. Please familiarize yourself with your schedule of benefits to determine what services are covered under your particular plan.
