This is a Primary Source Verification.

Please note that the settlement of a medical malpractice action may occur for a variety of reasons that do not necessarily reflect negatively on the professional competence or conduct of the provider. Therefore, there may be no disciplinary action appearing for a licensee even though there is a closed malpractice claim on file. A payment in the settlement of medical malpractice does not create a presumption that medical malpractice occurred.

For further questions regarding discipline or malpractice information, please contact:
Barbara Longo, blongo@bom.nv.gov (702) 732-2147 x223.
