MODIFIED CONSENT ORDER

The Department of Professional Regulation by Jackie B. Friedman, one of it's attorneys, and Allen Stuart Palmer, D.O., Respondent, hereby agree to the following:

STIPULATIONS

Allen Stuart Palmer, D.O., is licensed as a Doctor of Osteopathic Medicine in the State of Illinois, holding license No. 036-043089. At all times material to the matter set forth in this Consent Order, the Department of Professional Regulation of the State of Illinois had jurisdiction over the subject matter and parties herein.

Information has come to the attention of the Department that Respondent entered into a Consent Order based on a sister state discipline which became effective on November 1990. The Consent Order provides in paragraph E, that if the Respondent intends to practice in Illinois he must notify the Department and be on Probation for a period of one (1) year. The Respondent has notified the Department of his intent to practice in the State of Illinois. The basis of the discipline was not related to patient care.

As a result of the foregoing allegation(s), the Department held an Informal Conference at the offices of the Department, 100 West Randolph Street, Suite 9-300, Chicago, Illinois 60601 on July 15, 1992. Respondent appeared in person on that date, represented by Mr. Richard Cosby. Dr. Brosius appeared as a member of the Medical Disciplinary Board of the State of Illinois and Jackie B. Friedman appeared as an attorney for the Department.

Respondent's license is unrestricted in Missouri and has been unrestricted since January 1986.

Respondent has been advised of the right to have the pending allegation(s) reduced to written charges, the right to a hearing, the right to contest any charges brought, and the right to administrative review of any order resulting from a hearing. Respondent knowingly waives each of these rights, as well as any right to administrative review of this Modified Consent Order.

Respondent and the Department have agreed, in order to resolve this matter, that Stuart Palmer, D.O., be permitted to enter into a modified Consent Order with the Department, providing that his permanent license not be probational in the State of Illinois.

CONDITIONS

WHEREFORE, the Department, through Jackie B. Friedman, its attorney, and Allen Stuart Palmer, D.O., agree:

- A. That paragraph "E" of the Consent Order No. 89-886 which became effective on April 27, 1990 be deleted, so that the Respondent's license will not be on Probation.

B. This Modified Consent Order shall become effective upon signature of the director.

CONSENT ORDER

The Department of Professional Regulation by Marianne Savaiano Fleisher, one of its attorneys, and Allen Stuart Palmer, D.O., Respondent, hereby agree to the following:

STIPULATIONS

Allen S. Palmer, D.O., is licensed as a Physician and Surgeon in the State of Illinois, holding License No. 036-043089. At all times material to the matter set forth in this Consent Order, the Department of Professional Regulation of the State of Illinois had jurisdiction over the subject matter and parties herein.

Information has come to the attention of the Department that Respondent plead guilty to filing a false corporate return in Missouri. The Missouri Osteopathic Medical Board placed his license on Probation from January 30, 1981 to January 30, 1986. Dr. Palmer's license to practice osteopathic medicine was reinstated full and unrestricted at that time. Pursuant to Sister State Statutes, the Florida Department of Professional Regulation Reprimanded Respondent's license, fined him One Thousand (\$1,000.00) Dollars and required him to give ninety (90) days notice before beginning any medical practice.

Such action by Respondent, if proven to be true, would constitute grounds for suspending or revoking Respondent's license

as a Physician and Surgeon, on the authority of Illinois Revised Statutes (1987), Chapter 111, paragraph 4400-22(12).

Respondent has been advised of the right to have the pending allegations reduced to written charges, the right to a hearing, the right to contest any charges brought, and the right to administrative review of any order resulting from a hearing. Respondent knowingly waives each of these rights, as well as waiving any right to administrative review of this Consent Order.

Respondent and the Department have agreed, in order to resolve this matter, that Allen S. Palmer, D.O., be permitted to enter into a Consent Order with the Department, providing for the imposition of disciplinary measures which are fair and equitable in the circumstances and which are consistent with the best interests of the people of the State of Illinois.

CONDITIONS

WHEREFORE, the Department, through Marianne Savaiano Fleisher, its attorney, and Allen S. Palmer, D.O., agree:

- A. Respondent's license No. 036-043089 shall be Reprimanded.
- B. Respondent shall be fined One Thousand (\$1,000.00) Dollars, payable within thirty (30) days of the date of this Consent Order.
- C. Respondent shall advise the Board ninety (90) days in advance of his intention to practice in the State of Illinois.
- D. Respondent shall appear before the Board prior to practicing in Illinois.

- E. Respondent shall be put on Probation for the first year of his practice in Illinois. Conditions of that Probation shall be decided by the Board.
- F. Any violation by Respondent of the terms and conditions of this Consent Order shall be grounds for the Department to immediately file a Complaint to revoke the Respondent's license to practice as a Physician and Surgeon in the State of Illinois.
- G. This Consent Order shall become effective immediately after it is approved by the Director of the Department.

ORDER

This matter having come before me on the Petition for Hearing filed by Dr. Palmer, and being fully advised of the premises:

1. I find that the "Petition for Hearing" is actually a Motion to Vacate a Consent Order entered by Director Wright on April 27, 1990.

2. Petitioner has no right to a hearing on his Motion to Vacate either under the Department's Rules for Administrative Hearings or the Illinois Administrative Procedure Act. The right to another evidentiary hearing at this time is discretionary with the Director. I do not find sufficient basis in the Motion to warrant a hearing at this time.

3. I hereby order that the Motion be submitted to the Medical Disciplinary Board for its Recommendation to me whether or not the Petitioner has alleged sufficient grounds to warrant any modification of the discipline imposed on his license. The Department shall have 20 days from the date of this Order to file a written response to the Motion, and the Department response shall be considered by the Board in deliberations on its Recommendation to me.

RECOMMENDATION TO THE DIRECTOR

Now comes the Medical Disciplinary Board of the Department of Professional Regulation of the State of Illinois, and pursuant to the Order of the Director submitting the Petition to Vacate to the Medical Disciplinary Board for its review and recommendation hereby makes the following Recommendation to the Director.

The Medical Disciplinary Board recommends the Motion to Vacate the Consent Order entered by Director Wright on April 27, 1990, be denied. The Medical Disciplinary Board denies the Petition to Vacate due to the fact that the Petitioner voluntarily entered into the Consent Order and no facts are alleged in the Petition which would provide a lawful basis for vacating an Order previously agreed to by the parties.

The Medical Disciplinary Board is in receipt of Petitioner's Notice of Intent to practice as a physician in the State of Illinois. The Medical Disciplinary Board recommends that a hearing or informal conference be scheduled to determine the conditions to be imposed on the one (1) year probationary status of Petitioner's

license as set forth in condition E of the Consent Order dated April 27, 1990 attached hereto.

The Department of Professional Regulation by Marianne Savaiano Fleisher, one of its attorneys, and Allen Stuart Palmer, D.O., Respondent, hereby agree to the following:
