Part X FIN48 Footnote	The Organization follows FASB accounting standards for uncertainty in income taxes. Further, the standards require the benefit or expense be recognized in the financial statements as the amount most likely to be realized assuming a review by tax authorities having all relevant information and applying current conventions. The Organization has assessed its federal and state tax positions and determined there were no uncertainties or possible related effects that need to be recorded as of and for the year ended June 30, 2014. The federal and state income tax returns of the Organization are subject to examination by the respective taxing authorities generally for three years after they are filed. Penalties and interest assessed by income taxing authorities are included in operating expenses. The Organization did not incur income tax penalties or interest for the year ended June 30, 2014.
