This directory provides a list of AlohaCare Advantage/AlohaCare Advantage Plus' network providers.

This directory is for the islands of Hawaii, Kauai, Lanai, Maui, Molokai and Oahu.

This directory is current as of August 23, 2010. Some network providers may have been added or removed from the list after this directory was printed. We do not guarantee that each provider is still accepting new members. To get the most up-to-date information about AlohaCare Advantage/AlohaCare Advantage Plus' network providers in your area, you can visit www.AlohaCare.org or call our Customer Service Department at 973-6395 or toll-free at 1-866-973-6395, 8 a.m. to 8 p.m., 7 days a week. TTY/TDD users should call 1-877-447-5990.

AlohaCare is a health plan with a Medicare contract. Call Customer Service at 1-866-973-6395 to receive material in an alternate format or language.

Section 1 – Introduction

This directory provides a list of AlohaCare Advantage/AlohaCare Advantage Plus' network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers that are listed in this directory to be your **Primary Care** {Physician/Provider} (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care coverage from your PCP. Your PCP is a physician, physician assistant or nurse practitioner who meets state requirements and is trained to give you basic medical care. You will receive your basic or routine care from your PCP. Your PCP will coordinate the rest of the covered services you need. In most cases, you must see your PCP to get a referral to see another health care provider.

How do you choose a PCP?

You must choose your PCP from one of the follow sections in this directory:

- Primary Care – Health Centers & Clinics; or
- Primary Care Providers

To make it easier for you, the PCPs are listed by island and specialty.

You must either write your choice of PCP on your enrollment form or call Customer Service with your selection. If you have questions about choosing your PCP, changing your PCP or other questions about your PCP, call Customer Service at 973-6395 or toll-free at 1-866-973-6395, 8 a.m. to

8 p.m., 7 days a week. TTY/TDD users should call 1-877-477-5990.

The "network providers" listed in this directory have agreed to provide you with your health care and vision coverage. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers.

Providers who require a referral from your PCP

When your PCP determines that you need specialized treatment or services, your PCP will give you a "referral" to see a plan specialist or to access other types of services. A **specialist** is a doctor who provides health care services for a specific disease or part of the body. Some examples of specialists are: oncologists, who treat cancer; cardiologists, who treat heart conditions; and orthopedists, who treat certain bone, joint or muscle conditions.

It very important to get a referral from your PCP before you see a plan specialist. **If you don't have a referral prior to receiving services from a specialist, you may have to pay for the services yourself.** If the specialist wants you to come back for follow-up visits, check with your PCP to see if follow-up visits are included in the original referral.

Providers who do not require a referral from your PCP

Most specialty care services require a PCP referral. However, a PCP referral is NOT required for the following services provided by a network provider:

- Behavioral health visits, such as seeing a psychiatrist or a psychologist;
- Woman's health visit, such as seeing an Ob-Gyn or receiving routine preventive care services including a pap smear or a mammogram; or
- Flu shots or pneumonia vaccination.

Emergency and Out-of-Area Coverage

If you have a medical emergency you should get medical help as quickly as possible. A medical emergency is injury or illness that is life-threatening. Call 911 or go to the nearest emergency room, hospital or urgent care center; these services do not require a referral or prior authorization. If your emergency care is provided by non-network providers, we will try to arrange for plan providers to take over your care as your medical condition and the circumstances allow.

You may receive coverage for urgently needed care (injury or illness that needs immediate care, but not life-threatening) from out-of-network providers when you are temporarily outside of the plan service area. You may also receive coverage for urgently needed care from non-network providers when you are in the plan service area and there are

unusual or extraordinary circumstances, such as when plan providers are temporarily unavailable or inaccessible.

Non-Contracted Provider Billing

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area you must use network providers for urgent care. When out of the service area urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider. If you obtain routine care from out-of-network providers neither Medicare nor AlohaCare Advantage/AlohaCare Advantage Plus will be responsible for the costs.

If you need to see a non-network provider and are billed for services or care, you should not pay the bill. If the non-network provider sends the bill directly to you, you should submit the bill directly to AlohaCare for processing. We will make the determination of your liability, if any. Submit to:

A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by AlohaCare Advantage/AlohaCare Advantage Plus. Once you go to one, you are not required to continue going to the same pharmacy to fill your

prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Additional information about AlohaCare's Medicare Advantage Prescription Drug plans

AlohaCare is a health plan with a Medicare contract. Individuals must have both Part A and Part B to enroll. You must continue to pay your Medicare Part B premium. The State pays the Part B premium for individuals with full benefit Medicaid coverage who are eligible for AlohaCare Advantage Plus (HMO SNP). Limitations, copayments and restrictions may apply. The benefit information provided herein is a brief summary, not a comprehensive description of benefits. For more information contact the plan. Benefits, formulary, pharmacy network, premium and/or copayments/coinsurance may change on January 1, 2012. You may enroll in the AlohaCare Advantage (HMO) only during specific times of the year. Contact AlohaCare for more information.

Extra Help may be available to pay for your prescription drugs

You may be able to get Extra Help to pay for your prescription drug premiums and costs. To see if you qualify for extra help, call: 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week; The Social Security Office at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call, 1-800-325-0778; or Your State Medicaid Office. People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare could pay for up to one hundred (100) percent of drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it.

For more information about this Extra Help, contact your local Social Security office or call 1-800-MEDICARE (1-800-633-4227), 24 hours per day, 7 days per week. TTY users should call 1-877-486-2048.
