QUEST Integration Provider Directory

JANUARY 2015

The AlohaCare Provider Directory is updated from time to time. For the most up-to-date information or if you need help finding a doctor, please contact AlohaCare Member Services at 973-0712 (Oahu) or call toll-free at 1-877-973-0712 (Neighbor Islands/Oahu). TTY users call 1-887-447-5990.

Welcome to AlohaCare!

We want to make sure you get the health care you need. This Provider Directory will help you find an AlohaCare doctor on your island.

When you first become a member of AlohaCare, you must pick a Primary Care Provider (PCP). Your PCP will be your personal doctor. He or she is the doctor you will see every time you need routine care.

To choose a PCP:

- Look at the lists in your directory called "Primary Care - Health Centers & Clinics" or "Primary Care Providers".
- Choose a doctor or clinic from one of the lists.
- Call or write us to tell us the name of the doctor or clinic you picked. Call within 10 days of getting this packet.

If we do not hear from you after 10 days, we will choose a PCP for you. We will choose someone close to where you live.

The AlohaCare Provider Directory changes from time to time. Call our Customer Service Department to get the most up-to-date information. We can also find a doctor for you or help you if you have special health care needs. You can also find a doctor using the "Doctor Finder" tool on our website at www.AlohaCare.org.

Contact AlohaCare by phone or in writing:
