COPY

A hearing was held on December 15, 2011, at the offices of the New York State Department of Health ("the Petitioner"). A Notice of Referral Proceeding and a Statement of Charges, both dated October 18, 2011, were served upon the Respondent, **KERMIT BARRON GOSNELL, M.D.**

Pursuant to Section 230(10)(e) of the Public Health Law, **Jerry Waisman, M.D., Chair, William A. Tedesco, M.D., and Thomas W. King, Jr. M.P.A., P.E.,** duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter. **David A. Lenihan, Esq.,** Administrative Law Judge, served as the Administrative Officer. The Petitioner appeared by **James E. Dering, Esq.,** General Counsel, by **Joel E. Ablove, Esq.,** of Counsel. The Respondent, **Kermit Barron Gosnell, M.D.,** did not appear, although duly served. Evidence was received and transcripts of these proceedings were made. After consideration of the entire record, the Hearing Committee issues this Determination and Order.

STATEMENT OF CASE

This case was brought pursuant to Public Health Law Section 230(10)(p). The statute provides for an expedited hearing when a licensee is charged solely with a violation of Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York State or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, the Respondent is charged with professional misconduct pursuant to Education Law §6530(9) (b) by having been found guilty of improper professional practice or professional misconduct by a duly authorized professional disciplinary agency of another state, where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state.¹ The Respondent was also charged with professional misconduct pursuant to Education Law §6530(9) (d) by having disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action would if committed in New York state, constitute professional

¹ It is noted that in the Factual Allegations section of the Statement of Charges, the Department misquoted the applicable statute by stating: "... where the conduct upon which the finding was based would, if committed in *that* state, constitute professional misconduct under the laws of *that* state...." This statute, however, actually refers to conduct that would constitute misconduct under the laws of New York State. This error, it is noted, does not deprive the Respondent of actual notice of the charges against him, as the statute is properly quoted by the Department in the Specifications which are set forth on the following page.

misconduct under the laws of New York state.² Copies of the Notice of Referral Proceeding and the Statement of Charges are attached to this Determination and Order as Appendix 1.

WITNESSES

For the Petitioner: None

For the Respondent: None

FINDINGS OF FACT

The following Findings of Fact were made after a review of the entire record in this matter. Numbers below in parentheses refer to exhibits, denoted by the prefix "Ex." These citations refer to evidence found persuasive by the Hearing Committee in arriving at a particular finding. Conflicting evidence, if any, was considered and rejected in favor of the cited evidence. All Hearing Committee findings were unanimous.

1. Kermit Barron Gosnell, M.D., the Respondent, did not appear at the hearing although duly and personally served with process. (Petitioner's Ex. 2)

² Again, the Department misquoted the applicable statute by stating : "New York Education Law §6530(9)(d) -- having disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in *the* disciplinary action would if committed in *that* state, constitute professional misconduct under the laws of *that* state...". Again, this error does not deprive the Respondent of actual notice of the charges against him, as the statute is properly quoted by the Department in the Specifications which are set forth on the following page.

2. Kermit Barron Gosnell, M.D., the Respondent, was authorized to practice medicine in New York State on October 22, 1970, by the issuance of license number 107476 by the New York State Education Department. (Petitioner's Ex. 5)
3. On or about February 16, 2011, the Pennsylvania Board of Medicine (hereinafter "Pennsylvania Board"), by Consent Agreement and Order, ordered that Respondent shall voluntarily surrender his license, while his criminal case is pending in the Philadelphia County Court of Common Pleas. (Petitioner's Ex. 3)
4. The conduct resulting in the Pennsylvania Board disciplinary action against Respondent would constitute misconduct under the laws of New York State, pursuant to the following sections of New York State law:
 - a. New York Education Law §6530(9) (b) (by having been found guilty of improper professional practice or professional misconduct by a duly authorized professional disciplinary agency of another state, where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state); and/or
 - b. New York Education Law §6530(9) (d) (having disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action would if committed in New York state, constitute professional misconduct under the laws of New York state).
5. By Commissioner's Summary Order, dated August 25, 2010, the Respondent's license to practice medicine in New York was suspended based upon the above Pennsylvania Board Order which found the Respondent to be an imminent danger to the health of the people of Pennsylvania. (Petitioner's Ex. 3)

VOTE OF THE HEARING COMMITTEE

FIRST SPECIFICATION

"Respondent violated New York Education Law §6530(9)(b) by having been found guilty of improper professional practice or professional misconduct by a duly authorized professional disciplinary agency of another state, where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state..."

VOTE: Sustained (3-0)

SECOND SPECIFICATION

"Respondent violated New York Education Law §6530(9)(d) by disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state"

VOTE: Sustained (3-0)

HEARING COMMITTEE DETERMINATION

The Respondent did not appear at the hearing, either in person or by counsel. The Administrative Law Judge, after considering the documentary evidence, which included an Affidavit of Service of the Notice of Referral Proceeding and the Statement of Charges

(Petitioner's Exhibit 2), ruled that the Petitioner had met the requirements of law for due diligence in the service of process, that jurisdiction had been established over the Respondent, and that the hearing could proceed on the merits notwithstanding the Respondent's absence.

The record in this case indicates that Respondent's license to practice medicine was suspended in the Commonwealth of Pennsylvania by a Consent Order. (See Exhibit 6) The record shows that the Respondent has been charged with murder and drug law violations and that these matters are presently being adjudicated in the Philadelphia County Court of Common Pleas. (Ex. 6)

It is clear from the documentary record and the evidence submitted at the hearing by the Department that the basis of the Pennsylvania action was certain conduct that eventually resulted in the Pennsylvania Board of Medicine taking disciplinary action against Respondent and that the Respondent's actions would also constitute misconduct under the laws of New York State. Respondent did not appear at the hearing, and the record does not contain any evidence of mitigating circumstances, or remorse. The Department's attorney indicated that there have been conversations with the Respondent's Pennsylvania attorney and that the Respondent was fully aware that this matter would be going forward. (T. 6) The panel noted that that the Respondent was personally served with notice of this matter and was thus aware of this proceeding and chose to ignore it.

The Department's attorney, Mr. Abelow, stated that, given the nature of the surrender of the Respondent's license in Pennsylvania, there is no other appropriate outcome in New York State but to revoke the Respondent's license. The panel, unanimously, agreed with the Department on this recommendation. As to the penalty, therefore, the Hearing Committee determined that the people of New York State would

be protected by a revocation of the Respondent's license. Accordingly, the panel decided, unanimously, to revoke the Respondent's license under the circumstances of this case.

ORDER

IT IS HEREBY ORDERED THAT:

1. The license of the Respondent to practice medicine in New York State is revoked.
2. This Order shall be effective upon service on the Respondent in accordance with the requirements of Public Health Law Section 230(10) (h).

An adjudicatory proceeding will be held pursuant to the provisions of New York Public Health Law §§230(10)(p) and New York State Administrative Procedures Act §§301-307 and 401. The proceeding will be conducted before a committee on professional conduct of the State Board for Professional Medical Conduct (Committee) on the 15th day of December, 2011, at 10:00 a.m., at the offices of the New York State Department of Health, Hedley Park Place, 433 River Street, 5th Floor, Troy, NY 12180.

At the proceeding, evidence will be received concerning the allegations set forth in the Statement of Charges, that is attached. A stenographic record of the proceeding will be made and the witnesses at the proceeding will be sworn and examined.

You may appear in person at the proceeding and may be represented by counsel who shall be an attorney admitted to practice in New York state. You may produce evidence and/or sworn testimony on your behalf. Such evidence and/or sworn testimony shall be strictly limited to evidence and testimony relating to the nature and severity of the penalty to be imposed upon the licensee. Where the charges are based on the conviction of state law crimes in other jurisdictions, evidence may be offered that would show that the conviction would not be a crime in New York State. The Committee also may limit the number of witnesses whose testimony will be received, as well as the length of time any witness will be permitted to testify.

If you intend to present sworn testimony, the number of witnesses and an estimate of the time necessary for their direct examination must be submitted to the New York State Department of Health, Division of Legal Affairs, Bureau of Adjudication, Hedley Park Place, 433 River Street, Fifth Floor South, Troy, NY 12180, ATTENTION: HON. Pursuant to the provisions of New York Public Health Law §230(10)(p), you shall file a written answer to each of the charges and allegations in the Statement of Charges not less than ten (10) days prior to the date of the hearing. Any charge or allegation not so answered shall be deemed admitted. You may wish to seek the advice of counsel prior to filing such answer. The answer shall be filed with the Bureau of Adjudication, at the address indicated above, and a copy shall be forwarded to the attorney for the Department of Health, whose name appears below. You may file a written brief and affidavits with the Committee. Six (6) copies of all papers you submit must be filed with the Bureau of Adjudication at the address indicated above, no later than fourteen (14) days prior to the scheduled date of the Referral Proceeding, and a copy of all papers must be served on the same date on the Department of Health attorney, indicated below. Pursuant to §301(5) of the State Administrative Procedure Act, the Department, upon reasonable notice, will provide, at no charge, a qualified interpreter of the deaf to interpret the proceedings to, and the testimony of, any deaf person. Pursuant to the terms of New York State Administrative Procedure Act §401 and 10 N.Y.C.R.R. §51.8(b), the Petitioner demands, hereby, disclosure of the evidence that Respondent intends to introduce at the hearing, including the names of witnesses, a list of and copies of documentary evidence, and a description of physical and/or other evidence that cannot be photocopied.

YOU ARE ADVISED, HEREBY, THAT THE ATTACHED CHARGES WILL BE MADE PUBLIC FIVE (5) BUSINESS DAYS AFTER THEY ARE SERVED.

The proceeding may be held whether or not you appear. Please note that requests for adjournments must be made in writing to the Bureau of Adjudication, at the address indicated above, with a copy of the request to the attorney for the Department of Health, whose name appears below, at least five (5) days prior to the scheduled date of the proceeding. Adjournment requests are not routinely granted. Claims of court engagement will require detailed affidavits of actual engagement. Claims of illness will require medical documentation. Failure to obtain an attorney within a reasonable period of time prior to the proceeding will not be grounds for an adjournment.
