Saturday, September 25, 2010, 8:00 AM

This annual award honors Michael S. Burnhill, MD, DMSc, who served as Planned Parenthood® Federation of America's (PPFA) vice president for medical affairs and was a founding member of the Association of Reproductive Health Professionals (ARHP). Dr. Burnhill was instrumental in linking ARHP with the PPFA National Medical Committee and promoted their collaboration of joint sessions at this annual meeting. In honor of Dr. Burnhill, PPFA and ARHP established the Michael S. Burnhill Memorial Lectureship, which honors his legacy with a presentation emphasizing innovation and leadership in the field of women's reproductive health.
