Case No. 2011-042

STIPULATION OF LICENSURE

THIS Stipulation of Licensure is between Gabrielle Goodrick, M.D. ("Respondent") and the New Mexico Medical Board ("Board").

Respondent is subject to the jurisdiction of the Board pursuant to the Medical Practice Act, NMSA 1978, §§ 61-6-1 through -35; the Impaired Health Care Provider Act, §§ 61-7-1 through -12; and the New Mexico Medical Board rules and regulations, Title 16, Chapter 10, NMAC.

THIS MATTER came before the Board on November 10, 2011 upon the recommendation that Respondent be monitored by the New Mexico Monitored Treatment Program ("MTP").

WHEREAS the Board has determined that Respondent is safe to practice medicine if under the care of a monitored treatment program;

WHEREAS, in order to assist Respondent in her continued rehabilitation, Respondent shall be on probation with the following terms and conditions:

1. Respondent shall abstain completely from the use of mind-altering substances, controlled substances or alcoholic beverages except as legitimately prescribed by a licensed physician;
2. Respondent shall enter into a treatment contract with, and as determined by, the Monitored Treatment Program and shall comply fully with the recommendations, terms and conditions required of Respondent by the Monitored Treatment Program;

3. If the Board is notified that Respondent has violated any of the Monitored Treatment Program contract terms, the Board shall constitute it as a violation of this Agreement;

4. Respondent hereby waives any right to confidentiality she may have with respect to information gathered by the Monitored Treatment Program with regard to the Board's access to Monitored Treatment Program information. Respondent hereby authorizes the Monitored Treatment Program to release any and all information to the Board;

5. Respondent shall appear before the Board on a quarterly basis or upon the Board's request;

6. Respondent shall submit quarterly reports to the Board attesting to her compliance with this stipulation. Such quarterly reports shall be on a form provided by Board staff and sent to Respondent;

7. Respondent shall, at all times, comply with all federal, state and local laws and all rules governing the practice of medicine;

8. If the Board has reasonable cause to believe that Respondent has violated any of the terms of this stipulation, the Board may immediately and summarily suspend her license to practice as a physician in New Mexico. A breach of any term of this stipulation shall constitute conduct unbecoming in a person licensed to practice medicine as set forth in NMSA 1978, § 61-6-15(D)(29). The Board shall, within 10 days of a summary suspension, issue a Notice of Contemplated Action, and Respondent will be entitled to a formal hearing in accordance with the Uniform Licensing Act, NMSA 1978, §§ 61-1-1 through -33.

9. Respondent understands that this stipulation is made pursuant to NMSA 1978, § 61-6-15(B), and Board Rule 16.10.5.15 NMAC. Respondent further understands that entering into this

stipulation results in a waiver of her rights under the Uniform Licensing Act, Medical Practice Act, and the Impaired Health Care Provider Act, including the right to appeal and any claim she may have regarding these matters;

10. WHEREAS Respondent knows and understands her right to consult with an attorney and Respondent's signature below signifies that Respondent has either consulted with an attorney or Respondent waives her right to counsel.

11. Respondent understands that this stipulation will be reported to the National Practitioners Data Bank and Healthcare Integrity and Protection Data Bank;

12. The conditions and terms set forth in this stipulation will remain in effect unless and until removed or amended by the Board.

13. This stipulation incorporates any and all agreements, covenants and understandings between Parties. No prior agreement or understanding, verbal or otherwise of the Parties or their agents or assignees shall be valid or enforceable unless embodied in this Stipulation.

IT IS SO STIPULATED BY Gabrielle Goodrick, M.D., Respondent, and the New Mexico Medical Board.
