NATIONAL PROVIDER IDENTIFIER (NPI)

The primary purpose of the NPI is to uniquely identify health care providers as "health care providers" in HIPAA standard transactions. The NPI will replace all other identifiers assigned to health care providers, such as those assigned by health plans, government programs and health care purchasers for purposes of conducting these business transactions.

Under the final HIPAA NPI Rule, all individual and organization covered providers will be required to obtain an NPI by May 23, 2007.

In order for your license to be renewed you must take one of the following actions:

Option 1: Supply the Board of Registration in Medicine with your valid NPI. You can apply for an NPI directly by using the NPES web site at www.NPES.cms.hhs.gov.

Option 2: Certify you have personally applied for your NPI and you have not received it yet. Once you have received your NPI Number, you must notify the Board. Please complete the NPI form at the Board's web site at www.massmedboard.org.

Option 3: Certify another authorized institution has applied for an NPI on your behalf and you have not received it yet (supply institution's name). Once you have received your NPI Number, you must notify the Board by completing the NPI form at the Board's website (see Option 2).

Option 4: Authorize the Board of Registration in Medicine to apply for an NPI on your behalf.

Option 5: If your license status is INACTIVE, you may elect not to obtain an NPI number.

Check the appropriate box below, supply appropriate information, and sign the bottom of the page.

My current NPI is:

I have personally applied for an NPI.

I have applied for an NPI using a third party (enter name): _____ (follow instructions for Option 3)

By checking this option and signing the bottom of this page, I hereby authorize the Board to apply for an NPI on my behalf.

As an *inactive* physician, I do not wish to obtain an NPI.
