* HRINJ has partnered with QualCare to provide access to its regional HMO network of providers and to also provide administrative services including claims processing, client services, utilization management, case management, prior authorization and disease management.

--- Each HRINJ member must select a primary care physician within the QualCare HMO network.

--- HRINJ is one of only three insurance companies that are being offered on the Public Health Care Exchange. The public exchange is the only place consumers can receive federal subsidies to help pay for

their health insurance.

--- HRINJ is administered through QualCare and is not a contract that is negotiated by the NJMS Managed Care Reimbursement Committee and is not managed by the NJMS-Office of Managed Care.

** Effective 8/1/2013, Rutgers students with UHC Student Resources insurance have access to NJMS Faculty Practice physicians and University Hospital as Preferred Providers through our relationship with Multiplan. The Multiplan logo is on the student health ID card.

Disclosure: Information in this directory is updated daily and is subject to change without notice. Please note that not all providers listed may participate with your health plan. Please confirm the provider participation with your health plan prior to receiving treatment by either calling the provider office and/or your health plan directly.
