Our Staff : Birth Control Care Center abortion clinic in Las Vegas

**Paul A. Isaacson, MD** graduated summa cum laude from Boston College with a degree in Biochemistry, and was elected to the Phi Beta Kappa honor society. He went on to Tufts University School of Medicine where he received his medical doctorate in 1991. He was chosen to be a member of the Alpha Omega Alpha National Medical Honor Society. He completed his internship and residency at Brigham and Women's Hospital and Massachusetts General Hospital, the two main teaching affiliates of Harvard Medical School. There, he was chosen to be the Chief Resident in Obstetrics and Gynecology. Throughout his career, Dr. Isaacson has been committed to providing abortion services. In 1995 he began practicing general obstetrics and gynecology, which he did until the beginning of 2004 when he decided to devote himself full-time to providing abortion care and helping to keep choice available for women.

**Eleanor Powell Stanley, MD** graduated from George Washington University with a double degree in Chemistry and Philosophy. She then attended London School of Economics and took the Master of Science program in Logic & Scientific Method. She returned to GWU School of Allied Health Sciences and became a Physician Assistant, working at the GWU HMO and at the VA Medical Center in Cardiology before returning to GWU School of Medicine where she received her medical doctorate in 1991. She completed internship and residency at the University of New Mexico Medical Center in Albuquerque. Dr. Stanley enjoyed the opportunity to practice community obstetrics and gynecology for a decade before specializing in the practice of abortion medicine beginning in 2004. She believes passionately in the principle of choice and her work is dedicated to providing safe and accessible abortion services.

**Our excellent equipment and facilities enable our doctors to perform the highest quality work possible. We pride ourselves on having a highly experienced medical assisting staff, many of whom have years of experience in our clinic.**
