### **Searches: Llewelyn Crooks, phony docs, and an abortion suicide**

- **Llewelyn Crooks lawsuit.** Perhaps regarding the death of [Brenda Banks](#)? Brenda's uterus had been perforated and several major blood vessels had been cut or severed entirely during a safe and legal abortion performed by Crooks. Her survivors were unable to collect damages from Crooks and Hillcrest because Crooks' insurance company was insolvent, and Hillcrest carried no insurance.
- **phony docs.** Alicia Hanna was passing herself off as a doctor when she performed the fatal abortion on [Angela Sanchez](#). Barbara Lofton was passing herself off as a doctor at Maryland's notorious Hillview abortion mill, where [Suzanne Logan](#) and [Debra Gray](#) underwent their fatal abortions -- performed, ironically, by [Gideon Kioko](#), who actually was a physician. I know there are other cases but I can't remember any of them offhand.
- **Haley Mason** is the pseudonym Donetta Robben gave her niece, who [committed suicide in 2001](#) in anguish over her abortion.
