## Dorothy Bryant

Robert Prince

**SUMMARY: Robert Prince, pictured, performed the fatal abortion on 22-year-old Dorothy Bryant at Dallas Medical Ladies Clinic in Dallas, TX. Dorothy died on May 31, 1986.**

The survivors of Dorothy Bryant filed suit against Dr. [Robert Prince](#) (pictured) in her death.

The suit claims that Prince failed to perform a proper pre-operative evaluation before performing a [safe and legal abortion](#) on 22-year-old Dorothy at Dallas Medical Ladies Clinic on May 27, 1986.

Dorothy hemorrhaged during the procedure. In the lawsuit, her family said that Prince was negligent in his administration of drugs, anesthesia, and in his administration of a blood transfusion.

Dorothy was transferred to a hospital, where she died four days later of pulmonary fibrosis.
