The information for the Provider you selected is displayed. The NPI Registry data was last updated on 06/05/2014.

NOTE: Some health care providers reported their SSNs or IRS ITINs in sections of the NPI application that contain information that is required to be disclosed under FOIA. For example, a provider may have reported an SSN or an IRS ITIN as an "Other Provider Identification Number" or as a "License Number". To protect the privacy of these individuals, we have made every attempt to locate and remove those SSNs and IRS ITINs from being displayed in the information provided below.
