To obtain a copy of the actual records, you must submit a public records request. Public records can be sent via e-mail at no charge, copied to a CD with a charge for the CD or photocopied for a charge of 5 cents a page plus postage. You will be sent an invoice for the charges, which can be paid by check or money order. Please note that all public records requests made to the Attorney General's Office are subject to Ohio's open records law. <http://codes.ohio.gov/orc/149.43>
