If you are uninsured or underinsured, or need a referral to a doctor or dentist, call our Affordable Health Line at 585-328-7000. Depending on your income and household size, we can help you qualify for Child Health Plus, Family Health Plus, Medicaid, Healthy New York, EPIC, or the RPCN Community Health Care Plan. If you are not eligible for any of these plans, we will help you identify other healthcare access options to meet your needs. For more information, visit [www.rpcn.org](http://www.rpcn.org).

Look for the RHIO icon for authorized RHIO participants. Rochester RHIO makes your information available wherever you go—from the doctor to the pharmacist, primary care physician to a specialist, or a radiology center to the emergency room. With your consent, your healthcare provider will be able to view your information so they can provide the most informed care and treatment. For more information, go to ...[Rochester RHIO](#). The RHIO icon appearing in a provider's directory listing indicates the provider participates with the Rochester RHIO.
